**Roborock Q Revo MaxV Robot Vacuum**

## Product Usage Instructions

### Setup:

1. Unbox the product carefully and ensure all components are \included.
2. Refer to the user manual for specific assembly instructions.
3. Connect the power source following the provided guidelines.

### Operation:

1. Press the power button to turn on the device.
2. Follow the on-screen prompts for the initial setup.
3. Use the control panel to navigate through different settings.

### Maintenance:

1. Regularly clean the product using a soft cloth and mild detergent.
2. Avoid exposing the product to extreme temperatures or moisture.
3. Refer to the maintenance section in the user manual for detailed care instructions.

## FAQs

### Q: How do I reset the device?

A: To reset the device, locate the reset button on the back and hold it down for 10 seconds.

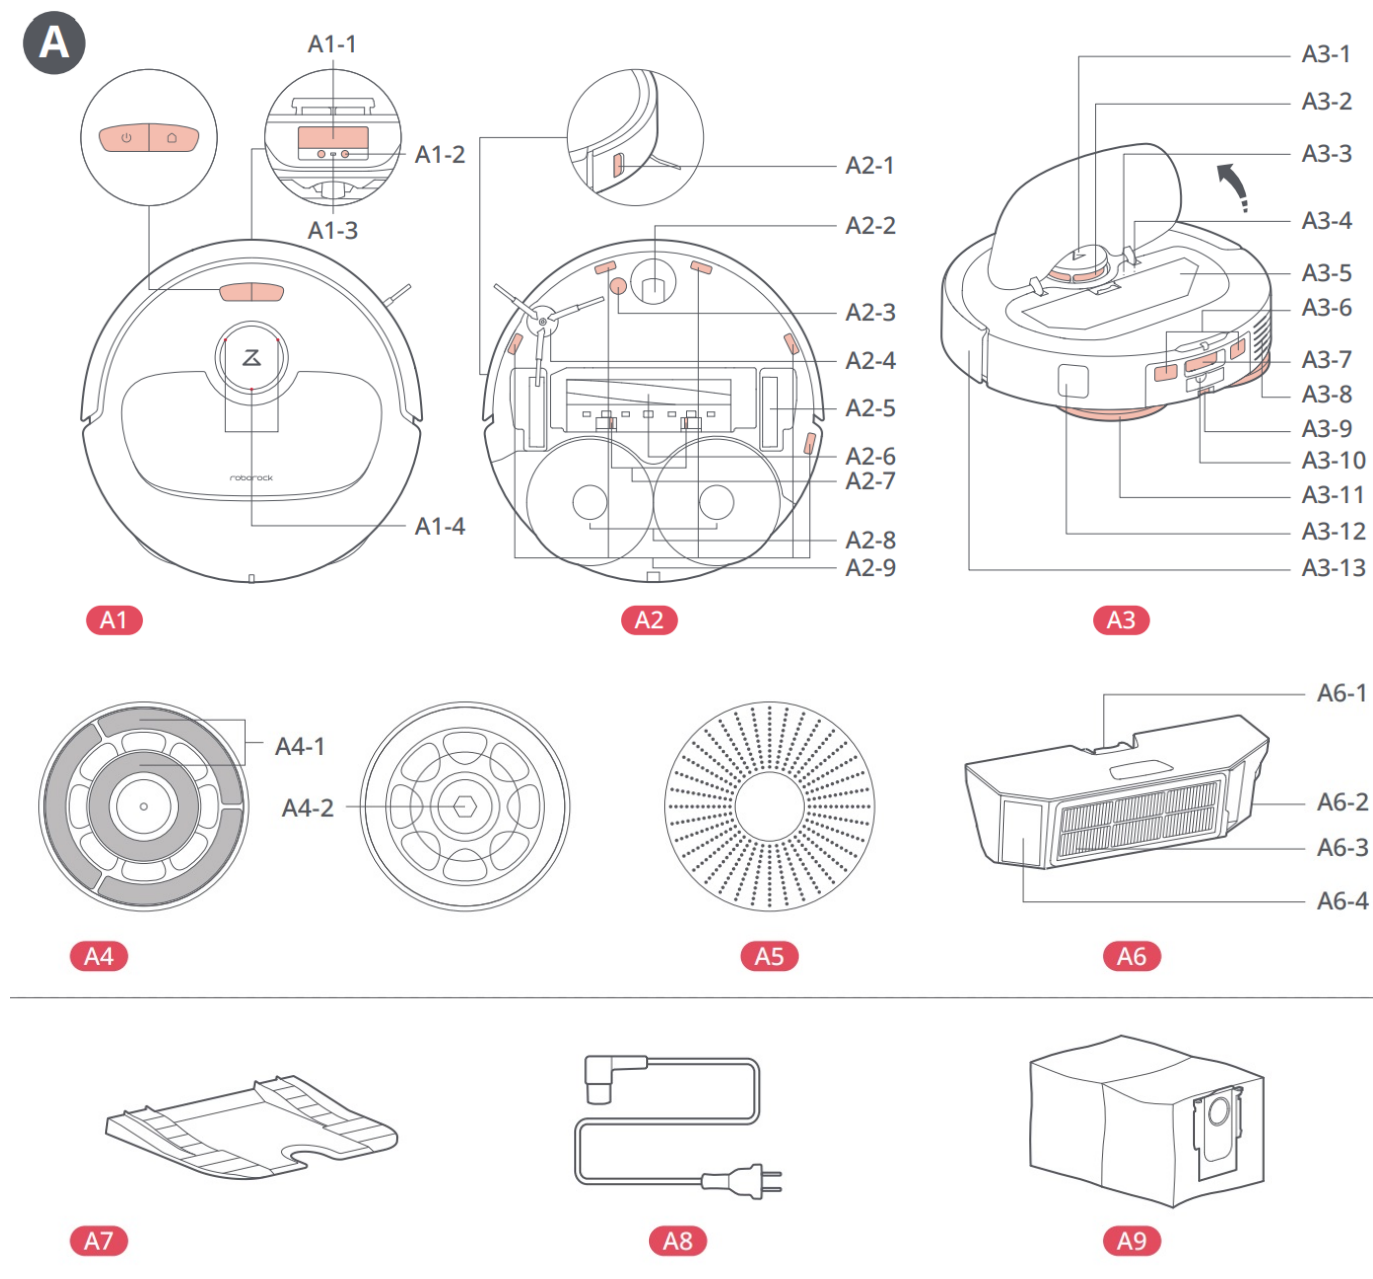

**Q: What should I do if the product stops working suddenly?**

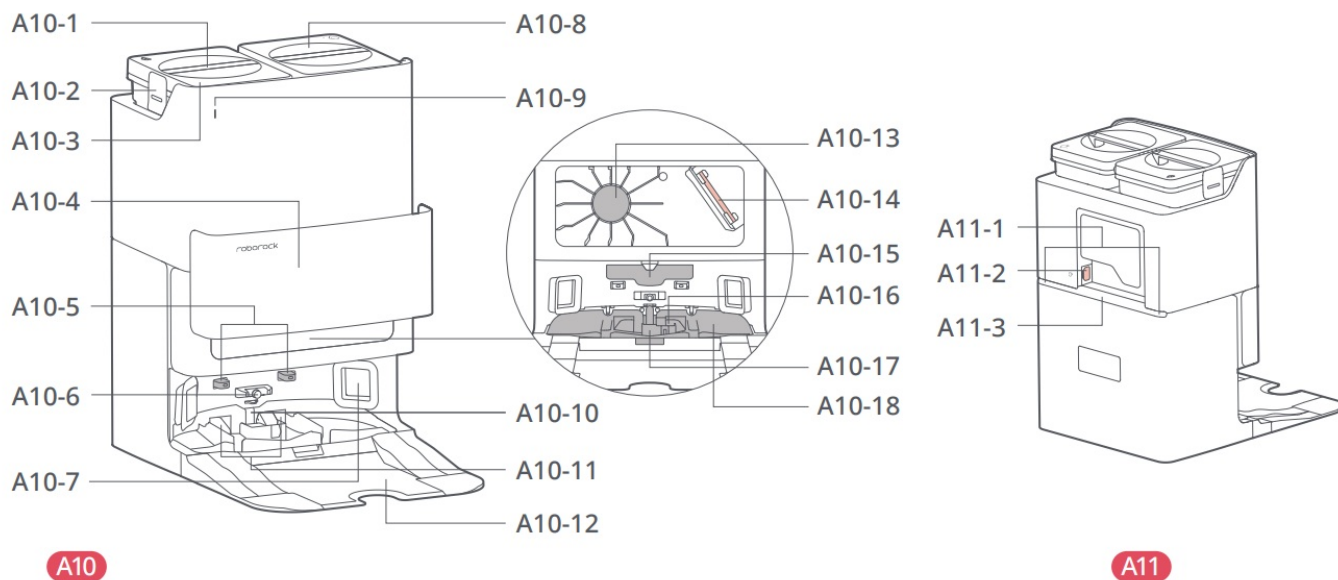

A: Check the power source and connections. If the issue persists, contact customer support for further assistance.

**Q: Can I use third-party accessories with this product?**

A: It is recommended to use accessories approved by the manufacturer to ensure compatibility and safety.
