ROCKLER 59811 Compact Router Sub-Base with Handles

PLEASE SEE OTHER SIDE FOR IMPORTANT SAFETY WARNINGS

Attach the handles using the included screws through the appropriate mounting holes. Remove the sub-base that came with your compact router and set aside the mounting screws. Locate the correct mounting holes for your router model on the Compact Router Sub-Base with Handles. Align the mounting holes in the Sub-Base with the mounting holes in your router and use the router mounting screws to attach. Center the base following your routers instructions.

GENERAL SAFETY WARNINGS

This product is designed only for specific applications as defined in the instructions and should not be modified or used for any manner not described in these instructions. Use only recommended accessories. Before using the Compact Router Sub-Base with Handles: **READ, UNDERSTAND and FOLLOW ALL INSTRUCTIONS AND SAFETY WARNINGS. KEEP THESE INSTRUCTIONS READILY AVAILABLE FOR FUTURE REFERENCE.**

- Always confirm that you are using the most recent version of the Instructions and safety warnings for your product (see the Instructions link on the product page at Rockler.com).
- Before using another tool with this product, always read, understand and follow the instructions and safety warnings in the owner's manual for that tool. If you do not have the owner's manual, obtain one from the tool's manufacturer before using it with this product.
- Before using any chemical with this product, always read, understand and follow all safety warnings and guidelines in the manufacturer's Safety Data Sheet (SDS; formerly called "MSDS"), especially regarding:
 - How to safely use the chemical, including potential hazards and recommended first aid measures;
 - Personal safety equipment required to safely use the chemical (e.g. gloves, eye protection, mask/respirator, etc.);
 - Proper and safe handling, storage and disposal of the chemical.
- Before using this product, review and verify that all tools to be used with it have safety equipment installed and are in proper working order as defined by the tool's owner's manual.
- Do not use this product until you have read and are confident you understand the instructions.
- The user assumes all risk and responsibility for the proper and safe use of this product and for ensuring product suitability for the intended application.
- It is the sole responsibility of the purchaser of this product to ensure that anyone you allow to use this product reads and complies with all instructions and safety precautions outlined in this manual prior to use.
- Follow all standard shop safety practices, including:
 - Keep children and bystanders away from the tool operating area;
 - Do NOT use power tools in explosive environments, or in the presence of flammable liquids, fumes or dust;
 - TURN OFF AND UNPLUG all power tools BEFORE making any adjustments or changing accessories;
 - Remain alert and use good judgment. Do not use this product if you are in any way impaired by medications, alcohol, drugs or fatigue;
 - Keep your work area well lit and clean;
 - Dress appropriately. Secure loose clothing, remove all jewelry and tie up long hair before using this product;
 - ALWAYS wear safety glasses, hearing protection and respiratory protection that complies with

NIOSH/OSHA/ANSI safety standards;

- Use dust collection tools and dust face masks to reduce exposure to dust;
- Use safety equipment such as featherboards, push sticks and push blocks, etc., when appropriate;
- Maintain proper footing at all times and do not overreach;
- Do NOT force woodworking tools.
- These warnings and instructions do NOT represent the total

These warnings and instructions do NOT represent the total of all information available regarding tool safety, use and technique. Always seek out opportunities to learn more and improve your skills and knowledge.

WARNING: Drilling, sawing, sanding or machining wood products can expose you to wood dust, a substance known to the State of California to cause cancer. Avoid inhaling wood dust or use a dust mask or other safeguards for personal protection. For more information go to www.P65Warnings.ca.gov/wood.

- **Danger:** indicates a hazardous situation that, if not avoided, will result in death or serious injury.
- **Warning:** indicates a hazardous situation that, if not avoided, could result in death or serious injury.
- **Caution:** indicates a hazardous situation that, if not avoided, may result in minor or moderate injury or property damage.
- **Notice:** indicates important or helpful information and/or user tips.
