## Product details

1. Wireless charging area.
2. Indicator light.
3. USB-C input.

## Operation

- A. Connect the USB-C cable to a USB charger.
- B. Plug the USB charger into the wall socket.
- C. Place the device to be charged in the center of the charging area.

When the device is placed on the charging area, the light (2) on the front will light up blue for a while.

## Good to know

- The Rolfstone Swift works with any device that supports Qi wireless charging. Plastic covers up to a maximum thickness of 3 mm are no problem.
- The Rolfstone Swift works with any USB charger. For the fast charging capability, use a QC (Quick Charge) compatible charger.
- The fast charger may become slightly warm when it is in the process of charging a device.
- Do not leave a device on the fast charger longer than necessary. This is better for the device's battery.

## Contents

- Rolfstone Swift wireless fast charger.
- USB-C cable (1m).
- Manual.

## Important

Do not store or use the device in places subject to high temperature, humidity or excessive dirt/dust.

- Keep out of reach of children under six years of age.
- Do not expose to water.
- Do not open the fast charger.

### Warranty, service & contact

The Rolfstone Swift has a warranty period of one year. Please contact us if you encounter problems within this period that are not a result of improper use or damage due to external influences.

This warranty is not transferable. Proof of purchase is required. Need service or have questions? Please contact us.
