Use

Power on/off

To start the headset, press the multifunction button for 2 seconds until the LED flashes blue. Repeat the process to turn it off.

Charging

Connect the USB cable to the charging port and a computer or a USB power adapter. The LED will shine red during charging and turn blue when the battery is fully charged.

Pairing

1. Keep your Bluetooth device within 1 meter of the earphones.
2. Make sure the headset is off.
3. Press and hold the multifunction button until the LED flashes red and blue.
4. Activate Bluetooth on your device. Search for nearby Bluetooth devices and choose Flow A+ from the list (enter

0000 if asked for a password).

5. When the LED blinks blue 3-5 times and goes out your device is ready and paired with the earphones.

Force pairing mode; make sure the headset is off, press and hold the Multifunctional button to enter pairing mode.

Managing music

Press the multifunctional button to play/pause music or answer/hang-up calls.

Press the Volume Up or Volume down button to change the volume.

Press and hold the Volume up button to skip a track.

Press and hold the Volume down button to play the previous track.

Note!

This product contains a rechargeable Li-ion battery and the battery can not be replaced. To prevent possible hearing damage, do not listen to high volume levels for long periods.

Produktet inneholder et oppladbart Li-ion-batteri som ikke kan skiftes ut. Unngå hørselsskade – ikke lytt med for høyt volum i lengre perioder.
