## Introduction

The Protective Smart Button can be used during a panic situation in order to trigger the “One touch” and “My Status” rules that you have created for your Salus Smart Home system . Normally “One touch” and “My Status” rules are triggered via the Salus Smart Home app, however the Smart Button provides an additional Method. This product must be used with the Universal Gateway (UG600/UGE600) and the Salus Smart Home App. Go to [www.salus-smarthome.com](http://www.salus-smarthome.com) for the PDF version of the manual.

## Product Compliance

This product complies with the essential requirements and other relevant provisions of Directive 2014/30/EU, 2014/35/EU, 2014/53/EU and 2011/65/EU.

The full text of the EU Declaration of Conformity is available at the following internet address:  
[www.saluslegal.com](http://www.saluslegal.com).

## Safety Information

- Use in accordance with the regulations.
- Designed to be used exclusively indoor.
- Keep your device completely dry.
- Disconnect your device before cleaning it with a dry towel.

## Connecting Instructions

## Assembly And Installation Instructions
