### Samsung Galaxy Tab A7 Lite messaging settings

Learn how to set up and use SMS / MMS messages with advanced messaging on the Samsung Galaxy Tab A7 Lite.

#### Change advanced messaging settings

1. From the Home screen, swipe up on an empty spot to open the **Apps** tray.
2. Tap the **Messages** icon.
3. Tap **Menu** > **Settings** > **More Settings**.
4. Select the following options to modify your settings:
  - **Text Messages**
    - **Show when delivered (on / off)**
    - **Input mode**
      - **GSM alphabet**
      - **Unicode**
      - **Automatic**
  - **View messages on SIM card**
  - **Message Center**
  - **Multimedia Messages**
    - **Show when delivered (on / off)**
    - **Show when read (on / off)**
    - **Auto retrieve (on / off)**

- **Auto retrieve while roaming (on / off)**
- **Restrictions**
- **Push Messages (on / off)**
- **Remove location from shared images (on / off)**
- **Delete old messages (on / off)**

### **Turn advanced messaging on / off**

To use advanced messaging, you must have VoLTE and Wi-Fi calling enabled. Advanced messaging is auto-enabled and cannot be turned off.
