Product Usage Instructions:

Compatibility Check:

Please ensure that this LCD display is compatible with your Samsung A02S smartphone. Verify your phone model number before purchasing.

Precautions:

- This replacement LCD display is not recommended for installation without any experience. It is advised to watch instructional videos or seek assistance from an expert to complete the replacement.
- Please handle the LCD display with care to avoid any damage.
- Test the product before installation to ensure its functionality. If the LCD is damaged during installation, we will not take any responsibility.

Installation Steps:

1. Gather all the necessary tools included in the package.
2. Power off your Samsung A02S smartphone.
3. Remove the back cover and battery (if applicable).

4. Detach the old LCD display carefully by unscrewing the necessary screws and disconnecting the cables.
5. Place the new LCD display in position and reconnect the cables securely.
6. Screw the necessary screws back in place.
7. Reinsert the battery and back cover (if applicable).
8. Power on your smartphone to test the functionality of the new LCD display.

Customer Support:

If you encounter any problems or need assistance during the installation process, please contact our customer service for help.
