Sandberg 509-21 All-In-1 Display Adapter Hub

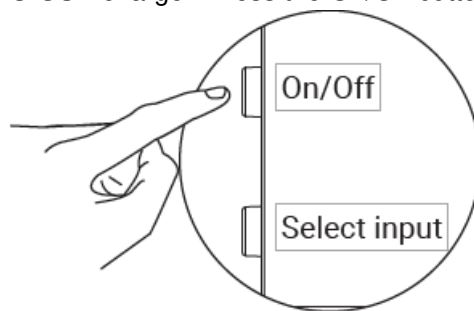

Connection setup

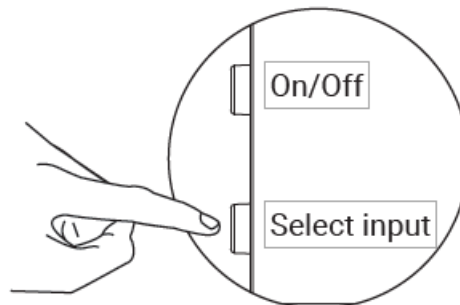

Instruction

Connect your PC/Macbook video output port with the fitting plug-type cable. Connect power supply by the USB-micro cable from PC USB-port or AC-USB charger. Press the On/Off button. Power indicator-LED turns RED.

Select the connected input-port by pressing the select-button 1, 2, 3 or 4 times. The selected port-number LED will indicate by BLUE light which port is active.
