## SARGENT AA503F Exit Device General Strike

### Product Information

This product comes with door silencers that can be used on the door frame. If the door silencers are used, the dimension for strikes needs to be decreased accordingly. The package also includes shakeproof lockwashers that need to be placed between the strike and frame or mullion. The product model number is AA503F.

### Product Usage Instructions

1. If you plan to use the door silencers, decrease the dimension for strikes accordingly.
2. Place the shake-proof lock washer between the strike and frame or mullion.
3. Use the provided mounting screws to attach the strike to the frame or mullion.
