Important: Read all instructions prior to installation.

**LED UFO High Bay Light**

UHBD-S1-50K100-80H

### Included Parts

- 1 – high bay light
- 1 – hook

### Installation

1. Insert hook into threaded hole on top of the fixture and tighten.
2. With supply, power switched off, connect wiring.
3. Hang fixture by attaching a hook to an existing chain or carabiner (SBL number HBU-CARB or SC-300).

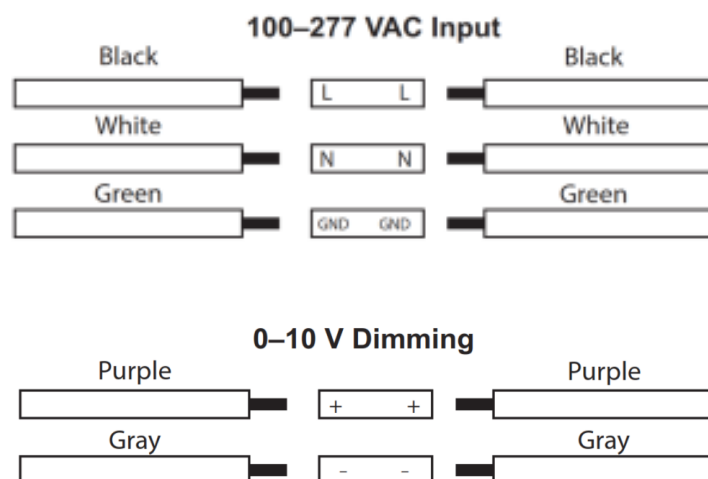

### Safety and Notes

- The product should be installed by a certified electrician in accordance with applicable national, state, and local building and electrical codes.
- To reduce the risk of electric shock, ensure that the main power source and circuit breakers are switched off before performing any installation or wiring procedures
- Avoid looking directly into the lamp when illuminated.
- Ensure all mounts are securely attached and will support the weight of the fixture. Failure to properly support the fixture may result in damage or injury, for which the manufacturer does not assume responsibility.
