### IMPORTANT

SC100 pole systems are only compatible with marine electronics devices as stated in the latest Scanstrut Product Guide – subject to change without prior notice.

Use of the SC100 pole system with unapproved products, or overloading, invalidates any product warranty.

No liability is accepted for damage caused by incorrect installation.

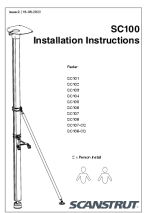

The installation and assembly must be regularly inspected for evidence of damage or loose parts.

Product has been designed specifically for the mounting of approved marine electronics under normal boating conditions.
