Reset

If the S10UA is not working properly for any reason, reset by gently pushing the pin-hole reset button located on the battery.

Notice

We recommend you to read the operating instructions carefully in addition to the Quick Start Guide, in order to understand all the functions and the correct operation. To find the complete manual please use the smartphone app or go to: WWW.SCHUBERTH.COM

Notice

Attaching the product to the helmet is considered a modification to the helmet and may void your helmet's warranty or compromise your helmet's functionality. This may entail risks during an accident, so be fully aware of this fact before using the product. Should you not accept this fact, you may return the product for a full refund. In some regions, it is prohibited by law to ride motorcycles while wearing headsets or earbuds. Therefore be certain you are aware of all relevant laws in the region where you are using the product and are sure that you comply with them.
