Additional Information

- For cleaning / polishing of products, use only a soft, dry, clean cloth.
- Requires the MM620BK key card module.

Product Information:

This front plate is designed for use with the MM620BK key fob module. It features a stainless steel finish with a white insert made of polycarbonate. The dimensions when installed are 61mm in width, 52mm in height, and 20.5mm in depth. The product comes with a 2-year warranty.

Product Usage Instructions

• Installation:

To install the front plate, make sure to have the MM620BK key fob module ready. Follow the installation instructions provided with the key fob module to securely attach the front plate.

- **Cleaning and Maintenance:**

For cleaning or polishing the front plate, use only a soft, dry, clean cloth. Avoid using harsh chemicals or abrasive materials that may damage the stainless steel or polycarbonate surfaces.

- **Compatibility:**

This front plate is specifically designed for use with the MM620BK key fob module. Ensure compatibility before installation.

Front Plate For MM620BK (Key Fob Module) SP620WHSS

- Requires MP620BK engine module (supplied separately)
- With MP620BK engine, will fit in to a New Media™ *311 plate
