For an individual answer, use our online chat on our website **www.scs-sentinel.com**

This manual is an integral part of your product. Keep it in a safe place for future reference. Use the equipment only for its intended purpose. Do not clean the appliance with abrasive
or corrosive substances. Only use a soft cloth. Do not let children play with the product or with the packaging's.

Don't throw out of order products with the household waste (garbage). The dangerous substances that they are likely to include may harm health or the environment. Make your retailer take back these products or use the selective collect of garbage proposed by your city.

The UE declaration of conformity may be consulted on the
website: **www.scs-sentinel.com/downloads**.

The outdoor unit is protected against solid objects larger than 1 millimeter and against small water splashes from all directions.
