Hereby, SCS Sentinel declares that this product complies with the essential requirements and other relevant provisions of Directive 2014/53/UE. The UE declaration of conformity may be consulted on the website : **www.scs-sentinel.com/downloads**

This manual is an integral part of your product. Keep it in a safe place for future reference. Use the equipment

only for its intended purpose. The appliance should not be exposed to dripping or splashing water. No objects filled with liquids, such as vases, should be placed near the appliance. Do not clean the appliance with abrasive or corrosive substances. Only use a soft cloth.
 Don't throw out of order products with the household waste (garbage). The dangerous substances that they are likely to include may harm health or the environment. Make your retailer take back these products or use the selective collect of garbage proposed by your city. Do not let children play with the product or with the packagings.

IP 65 : The outdoor unit is protected against dust and water jets from all directions.
