WARNINGS

Use the equipment only for its intended purpose. The device should not be exposed to open flames (stove, candle) or next to a heat source (radiator). The light source of the product is composed of diodes (LEDs), which

cannot be replaced.

Disconnect the product from the output before cleaning. Only use a soft cloth. Do not let children play with the product or with the packagings. Always keep proof of purchase throughout the warranty period.
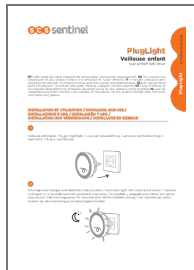

Don't throw out of order products with the household waste (garbage). The dangerous substances that they are likely to include may harm health or the environment. Make your retailer take back these products or use the selective collect of garbage proposed by your city.
