A- SAFETY INSTRUCTIONS

This manual is an integral part of your product.

These instructions are provided for your safety. Read this manual carefully before installing and keep it in a safe place for future reference. Select a suitable location. Make sure you can easily insert screws and wallplugs into the wall. Do not connect your electrical appliance until your equipment is totally installed and controlled. The installation, electric connections and settings must be made using best practices by a specialized and qualified person. The power supply must be installed in a dry place. Check the product is only used for its intended purpose.

B- WIRING / INSTALLING

B1- Wiring diagram

You can directly connect the monitor to your electrical panel via a 15V DC 0,8A (minimum) «rail DIN» transformer. Electrical knowledges are necessary, in this case. Please contact a professional.

⚠ BE CAREFUL : RESPECT THE POLARITY !

The wire with the gray strokes should be positioned on the +.

The wire with the writes must be positioned on the -.

B2- Installing

Indoor monitor

F- WARNINGS

- Maintain a minimum distance of 10 cm around the device for sufficient ventilation.
- Be sure that the device is not blocked by paper, tablecloth, curtain or other items that would impede airflow.
- Keep matches, candles and flames away from the device.
- Product functionality can be influenced by a strong electromagnetic interference.
- This equipment is intended for private consumer use only.
- The appliance should not be exposed to dripping or splashing water; no objects filled with liquids, such as vases, should be placed near the appliance.

- Do not use in a tropical climate.
- The mains plug is used as disconnect device and shall remain readily operable during intended use.
- The monitor and the adapter must only be used indoors.
- Connect all the parts before switching on the power.
- Only connect your appliance using the provided adapter.
- Do not cause any impact on the elements as their electronics are fragile.
- Do not block the microphone.
- When installing the product, keep the packaging out of reach of children and animals. It is a source of potential danger.
- This appliance is not a toy. It is not designed to be used by children.

 Disconnect the appliance from the main power supply before service. Do not clean the product with solvent, abrasive or corrosive substances. Only use a soft cloth. Do not spray anything on the appliance.

 Make sure that your appliance is properly maintained and regularly checked in order to detect any sign of wear.

Do not use it if a repair or adjustment is needed. Always call on qualified personnel.

 Don't throw out of order products with the household waste (garbage). The dangerous substances that they are likely to include may harm health or the environment. Make your retailer take back these products or use the selective collection of garbage proposed by your city.
