WARNINGS

Don't throw batteries or out of order products with the household waste (garbage). The dangerous substances that they are likely to include may harm health or the environment. Make your retailer take back these

products or use the selective collect of garbage proposed by your city. Keep new and used batteries out of the reach of children. When replacing the battery, use a battery with the same characteristics as the one supplied with the product. Remove the batteries from the equipment if it is not to be used for a prolonged period of time, unless it is intended for emergency situations. Do not clean the product with abrasive or corrosive substances. Use a

simple cloth. 

Hereby, SCS Sentinel declares that this product complies with the essential requirements and other relevant provisions of Directive 2014/53/UE. The UE declaration of conformity may be consulted on the website :
