SAFETY

⚠ WARNING! Ensure Health & Safety, local authority, and general workshop practice regulations are adhered to when using this product.

✓ Locate product in a suitable working area.

✓ Keep the work area clean, uncluttered and ensure there is adequate lighting.

⚠ WARNING! Use product on level and solid ground, preferably concrete. Avoid tarmacadam since the product may sink into the surface.

✓ Keep the product clean and tidy in accordance with good workshop practice.

✓ Keep children and unauthorized persons away from the working area.

✗ DO NOT use the product for any purpose other than that for which it is designed.

✗ DO NOT exceed maximum capacity of product.

✗ DO NOT undertake work on the product without the work piece being adequately secured. Use clamps or a vice (not included) to secure the work piece. Available from your Sealey stockist.

✗ DO NOT use the product out of doors.

✗ DO NOT get the product wet or use in damp or wet locations or areas where there is condensation.

✗ DO NOT clean the product with any solvents which may damage the paint surface or the protective coating.

INTRODUCTION

The Sealey modular racking system is finished with a heavy-duty textured powder coat to prevent against rusting. Simply choose your base, middle and top units and push together using nylon connectors to create versatile storage for the workshop, garage, home or office. All drawers have ball-bearing drawer slides for smooth operation and cupboard doors are fitted with spring loaded hinges allowing them to be fitted the side that suits your environment. Buy individually (see specific model number for full specs) or as one of our pre-created combo's.

SPECIFICATION

Model no:	APMRT1
Nett Weight:	11.7kg
Overall Size (W x D x H):	580 x 340 x 444mm
