SEENDA KTU-401 Foldable Bluetooth Keyboard

Product Information

The Ultra-thin Scissors Foot Backlit Office Keyboard (model KTU-401) is a versatile keyboard designed for office use. It features a sleek and thin design, backlit keys, and a Type-C charging port. The keyboard is compatible with various operating systems including Windows, Mac OS, iOS, and Android. It has multi-function keys for enhanced productivity and a Bluetooth connection for wireless convenience. The keyboard comes with a 12-month warranty.

Product Usage Instructions

Bluetooth Connection

To connect the keyboard via Bluetooth, follow the steps below

Windows 10 System

1. Turn on the power switch located on the keyboard.
2. Long press the Fn + // keys for 3 seconds until the blue light flashes, indicating the code matching state.
3. On your computer, click on "Bluetooth Devices" in the system settings.
4. Click "Add or Remove Bluetooth Devices".
5. Your computer will automatically search for the Bluetooth 5.1 Keyboard. Click on it to pair.
6. Once paired, the Bluetooth 5.1 Keyboard is connected and ready to use.

Mac OS System

Please complete the Bluetooth connection step before pairing.

1. Click on “System Preferences” on your Mac.
2. Click on “Bluetooth” in System Preferences.
3. Your computer will automatically find the Bluetooth 5.1 Keyboard. Click on it to pair and install.
4. Once paired, the Bluetooth 5.1 Keyboard is connected and ready to use.

iOS System

Please complete the Bluetooth connection step before pairing.

1. On your iOS device, click on “Settings” and turn on Bluetooth.
2. Your device will automatically find the Bluetooth 5.1 Keyboard. Click on it to pair.
3. Complete the pairing process.
4. Once paired, the Bluetooth 5.1 Keyboard is connected and ready to use.

Android System

Please complete the Bluetooth connection step before pairing.

1. On your Android device, go to “Settings” and turn on Bluetooth.
2. Your device will automatically find the Bluetooth 5.1 Keyboard. Click on it to pair.
3. Complete the pairing process.
4. Once paired, the Bluetooth 5.1 Keyboard is connected and ready to use.
