SEGO-ARCH Modular Light Box Display

Specifications

- **Product Name:** SEGO ARCH
- **Product Code:** SEGO-ARCH
- **Display Dimensions:** 39.45W x 88.6H x 93.4D
- **Graphic Material:** Dye Sub Backlit Fabric
- **Graphic Finishing:** Silicone beading sewn onto the edge of the graphic
- **Display Construction:** Aluminium extrusion frame with plastic components
- **LED Light Specification:**
 - **Brand:** Osram
 - **Power:** 3W
 - **Lumens:** 35100
 - **Voltage:** 24V
 - **Power Consumption:** 270W

Product Usage Instructions

Parts List

- (qty 2) SEGO-100X225X12
- (qty 1) SEGO-100X200X12
- (qty 2) SEGO-BC

- (qty 1) SEGO-AB-225

Single Frame Assembly

- Set up each frame individually before connecting. The SEGO-100X225 frame for the top arch does not require feet.

Frame Connection

- We recommend at least 2 people for setup and will require 2 ladders or 2 step stools.

PRODUCT DESCRIPTION

- The SEGO Arch introduces a bold, dynamic archway configuration utilising the SEGO Modular Lightbox Display system.

- Designed with a shorter front supporting frame and the innovative SEGO arch bracket, this structure creates a striking visual gap between the supporting and archway frames for added depth and dimension.
- Versatile and adaptable, the SEGO Arch can stand alone as an eye-catching entrance or seamlessly integrate into any standard or custom SEGO display setup. It features custom dye-sublimated fabric graphics with Silicone Edge Graphic (SEG) finishing, ensuring effortless graphic installation and quick change-outs. Brilliant LED edge lighting illuminates the graphics for a high-impact presentation. Each frame includes its travel bag for convenient transport and storage.
- Elevate your exhibit with the SEGO Arch – a stunning blend of modular innovation and illuminated branding.
- Please check your tradeshow guidelines to make sure this configuration conforms to the show regulations.
