Smart Intercom Pairing

Pair the Bluetooth systems together for intercom communication through QR code scanning on the SENA MOTORCYCLES App.

1. Pair the mobile phone with the Bluetooth system.
2. Open the SENA MOTORCYCLES App and tap  (Smart Intercom Pairing Menu).
3. Scan the QR code displayed on your friend's mobile phone.
4. Tap Save.
5. Tap Scan () and repeat steps 3-4 to pair with other intercom friends.
