SENTRY BTSUN Sound Glasses

SOUND GLASSES

Specifications

- **Driver Unit:** 16*9*3.0 mm
- **Impedance:** 78+/-30hms
- **Playback:** 4HR@50% volume
- **Mic Sensitivity:** -42DB
- **Power:** 674MW
- **Frequency:** 20Hz-20KHz
- **Battery:** Lithium-ion
- **Communication system:** Bluetooth Specification version 5.3 Battery Capacity: 120mAh
- **Operating Temperature:** 0 oc to 40 oc Radio Frequency: 2.402 GHz-2.480 GHz

Note:

Actual playback times and charge times are approximate and based on 50% volume, and the product is fully charged. Battery performance may be affected by multiple factors including but not limited to ambient temperature, listening volume, and/or distance from the source audio device, USB TType-C@ and IJSB-C@ are registered trademarks of USB Implementers Forum.

Bluetooth Pairing/Connection

Long press the button O for 2 seconds to turn on the product, and the blue light will flash and prompt "power on", then the red and blue lights will flash, prompting "pairing" and entering the waiting connection state. Enable the Bluetooth function on your media device. Search the Bluetooth device named BT SJN. Click or tap to connect (pair). After a successful connection (pairing) you will hear "Connected" and the blue light flashes every five seconds. Now you can play music, or use Bluetooth phone functions.

Key Functions:

- **On:** Press and hold the button  for 2 seconds to turn it on. **Off:** Press and hold the button  for 3 seconds to turn it off.
- **Music Pause:** Press the button  to pause playing, and press the button  again to resume playback.
- **Volume increase:** Press the button . When the volume reaches its maximum, you will hear a “beep” sound.
- **Volume down** Press and hold the button . When the lowest volume is reached, 10% of the volume is retained.
- **Answer/Hang-up:** Press the button  to answer when the call is incoming, and press it again to hang up. (When there is a new call during the call, press the button  to answer the new call and hang up the current call.)
- **Rejection** Press the button  to reject the call. **Low battery warning:** When the battery is low, there will be a “Please charge” prompt sound every 60 seconds. Please charge the device as soon as possible.

Included Cables

- **USBCDC5VUSB**

To charge device

Plug the small side of the USB-C cable into the USB charging port on your headset and plug the large end into a USB port on a computer, or AC adapter (not included). **BTSUN:** When the product is charging, the LED light will keep in red. When the product is fully charged, the red LED light will be off and the blue light will be on.

Important Safety Instructions & Warnings

Charging your device

Only use a power adapter with applicable country regulations and international and regional safety standards. Other power adapters may not meet applicable safety standards, and using such adapters could pose a risk of death or injury. Avoid prolonged skin contact with the charging cable and connector when the charging cable is connected to a power source because it may cause discomfort or injury. Sleeping or sitting on the charging cable or connector should be avoided.

Important Safety instructions

1. Read these Instructions.
2. Keep these Instructions.
3. Heed all Warnings.
4. Follow all instructions.
5. Do not use this device near water.
6. Clean only with a dry cloth.

7. Do not block any ventilation openings. Use the manufacturer's instructions.
8. Do not charge near any heat sources such as radiators, heat registers, stoves, or other apparatus (including amplifiers) that produce heat.
9. Discontinue use if damaged.
10. Protect the cord from being walked on or pinched particularly at plugs, and convenience receptacles, to the point where they exit from the device.
11. Only use attachments/accessories specified by the manufacturer.
12. Unplug this apparatus during lightning storms and when charging is completed.
13. Refer all servicing to qualified service personnel. Servicing is required when the apparatus has been damaged in any way, such as power-supply cord or plug is damaged, liquid has been spilled or objects have fallen into the apparatus, the apparatus has been exposed to rain or moisture, does not operate normally, or has been dropped.

WARNING

- **CAUTION:** To prevent electric shock, use only compatible and certified USB charging devices.
- **WARNING:** To reduce the risk of fire or electric shock, do not expose this apparatus to rain or moisture.
- **CAUTION:** Use of controls or adjustments or performance of procedures other than those specified may damage your device
- **WARNING:** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC Compliance Statement

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.

“NOTE:

This equipment has been tested and found to comply with the limits for a Class B digital device, under part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiates radio frequency energy and, if not installed and used by the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.

- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment”
