SETTFRFE

SETTFRFE ST58394 Hanging File Folder Organizer with Drawer

Parts included

A (1)

B (2)

C (1)

D (8)

Assembling

- **Step 1:** Assemble as shown below: when assembling, pay attention to distinguish the front and back sides of part A, as well as the symmetry of the drawer slide;

Assemble the four screws on the left first.
Note: don't tighten the screws, leaving some gaps.

Assemble the four screws on the right.
Note: don't tighten the screws, leaving some gaps.

The "L" Angle iron in the middle of the part B supports the part A.

Part A should be distinguished between front and back when unfolded, the hinge is on the outside.

Drawer slide rails should be symmetrical

- **Step 2:** Lay the assembled product flat on the desktop and adjust four legs so that they are on the same level, tighten all the screws; Finally put the drawer in the chute.

Materials and measures

- **Material:** Metal
- **Colour:** Black
- **Measure (L*W*H):** 14.4x12x14.5 inches
