**SG LIGHTING 701165 Smart Gateway**

## Product Information

The Smart Gateway is a device that connects to your home network and allows you to control various smart products. It supports Wi-Fi and Ethernet connectivity and comes with a power cable for operation. The Smart Gateway also features Bluetooth and LAN link capabilities.

## Product Usage Instructions

### Setup:

1. Connect the Smart Gateway to your Wi-Fi network.
2. Connect the Smart Gateway to your router using an Ethernet cable.
3. Plug in the power cable to the Smart Gateway.

### Pairing:

To pair the Smart Gateway with other devices:

1. Access the “My Home” menu on your device.
2. Search for available devices and select the Smart Gateway.

### Wall Mounting:

To mount the Smart Gateway on the wall:

- Use a wall mount bracket with a diameter of 70 mm.
- Securely attach the Smart Gateway to the wall using the bracket.

**Astro Clock:**

The Astro Clock feature allows you to set specific times for certain actions. Use the provided format (XX:XX) to specify the desired time.

**Astro Timer:**

The Astro Timer feature enables you to set a timer with a range of +/- 120 minutes.

**Midnight Cut:**

The Midnight Cut option allows you to define a specific action or behavior at midnight.

**Circadian:**

The Circadian feature adjusts the lighting according to the natural rhythm of daylight.

**Use with TW LEDDim Smart:**

1. Ensure you have the compatible TW LEDDim Smart product.
2. Pair the TW LEDDim Smart product with the Smart Gateway following the pairing instructions.

**Use with SG Smart Products:**

The Smart Gateway is compatible with various SG Smart products, including:

- LEDDim Smart 820334
- TW LEDDim Smart 820384
- Smart Switch 820360
- Smart Plug 820340
- LEDDim Smart Pill 820336
- LEDDim Smart DIN 820327

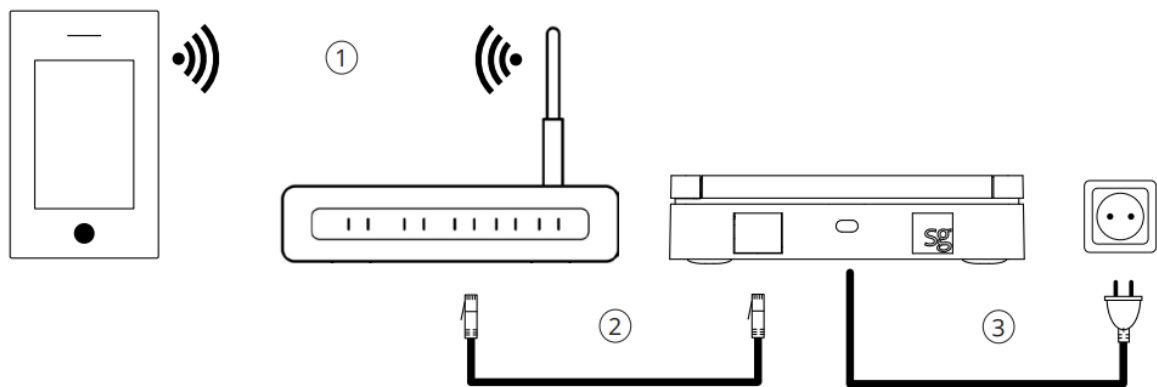

**Important Note:**

To control the Smart Gateway using Apple HomeKit, make sure you have the latest version of iOS or iPadOS installed on your device.
