SHARPER IMAGE 208081 Car Organizer and Power Source

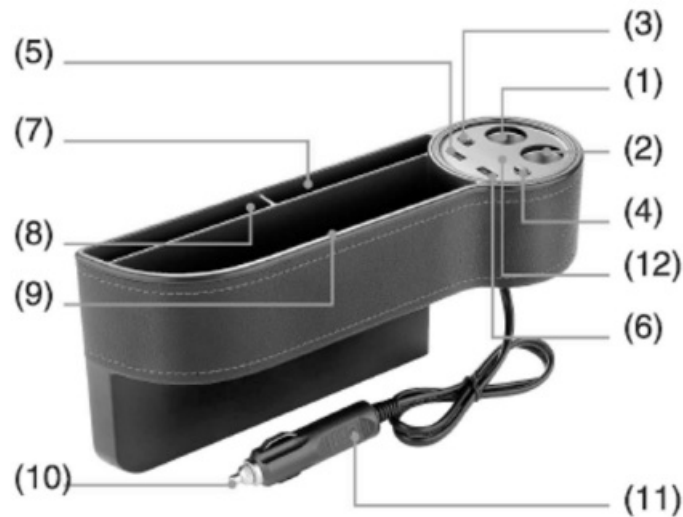

Thank you for purchasing the Car Organizer and Power Source. Please take a few minutes to read this guide and store it for future reference

FEATURES

- Car organizer with 4 power outlets
- Fits most cars
- Prevents items from dropping through the gap and causing distractions
- 2 built-in 12V DC outlets with On/Off buttons
- 2 built-in USB charging ports (2.1A/5V) with smart chip protection
- 3 storage compartments
- LED power indicator light
- LED car battery power display
- Plugs into a car cigarette lighter
- Dimensions: 10.6" L x 3.2" W x 4.9" H. 1.1 lbs.

IDENTIFICATION OF PARTS

1. 12V DC outlet #1
2. 12V DC outlet #2
3. Power On/Off button for 12V DC outlet #1
4. Power On/Off button for 12V DC outlet #2
5. USB charging port #1 (2.1A/5V)
6. USB charging port #2 (2.1A/5V)
7. Storage compartment #1
8. Storage compartment #2
9. Storage compartment #3
10. Power cable
11. LED Power On indicator
12. Car battery voltage display

INSTRUCTIONS

1. Place the Car Organizer and Power Source in the gap between the driver or passenger seat and the center console.
2. Connect the power plug to the car cigarette lighter socket (DC 12V outlet).
3. The power indicator light on the plug will illuminate.
4. The LED car battery voltage display will show the current voltage of your car battery.
5. Use your existing USB charging cables to charge and power your phones or tablets with the two built-in USB charging ports.
6. Use the three storage compartments to hold your phone, wallet, ID, pens, etc.
7. Use the two 12V DC sockets to power other devices, such as a car vacuum cleaner, air pump, dash cam, car refrigerator, etc. NOTE: You must press the corresponding On/Off button to activate each socket.

SAFETY WARNINGS

- Do not disassemble this product. There are no user-serviceable parts.
- Do not expose this device to direct sunlight or open flames.
- Keep your attention on the road. Do not operate this device while driving.

- Do not use this device for anything other than its intended purpose.
