Sharper Image Ghosts in the Graveyard Hide and Seek Tag

## Set-Up

- Make sure everyone knows the boundaries and any off-limits areas.
- Create the Safe Zone by turning on the 4 markers and placing them in a ten-foot square on the ground.
- Choose one player to be the Ghost. All the other players are Ghost Hunters.
- They should turn on the Ghost Hunter bracelets and put them on.

## Play

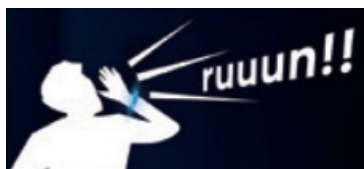

The Hunters face each other, close their eyes and count down from thirty while the ghost hides.

When finished counting, the Hunters search for the Ghost.

If a Hunter sees a Ghost, they shout, "There's a Ghost in the graveyard, run, run, run!!"

Once this is shouted, all the Hunters race back towards the Safe Zone.

The Ghost tries to tag as many Hunters as possible before they reach the Safe Zone.

Hunters who are tagged before reaching the Safe Zone turn off their bracelets and join the Ghost for the next round.

Play until the last Hunter is tagged.

This player starts as the Ghost of the next round.
