USER MANUAL

Thank you for purchasing the LED Magic Lamp from Sharper Image. This award-winning light is controlled in a

very unique way: with two magnetic balls that levitate in the center of the frame. When you bring the balls together, they remain suspended in mid-air, and the LED lighting element in the frame illuminates. Separate the magnetic balls to turn the lamp off.

FEATURES

- Unique accent light for home or office
- Magnetic on/off “switch” — lift up the lower ball to pair it with the upper ball. When the two balls are suspended together in mid-air, the lamp illuminates to provide warm white LED light.
- 2 magnets (10mm x 10mm, N35 strength)
- Plugs into a USB port
- LEDs rated for 50,000 hours of use
- Dimensions: 7.9” L x 2.7” W x 15.8” H. 1.8 lbs.

CAUTION

- If you would like to plug this device into an AC outlet, be sure to use an AC adapter with a maximum output of 5V (adapter not included).
- Do not operate this device if it appears damaged, or if the power cord appears damaged or frayed.
- Do not attempt to open or repair this device. There are no user-serviceable parts. If you experience any problems with your device, please contact Sharper Image customer service immediately.

WARRANTY

Sharper Image branded items purchased from SharperImage.com include a 1-year limited replacement warranty. For Customer Service, please call 1 (877) 210-3449.
