SAMART CONTROLLING VIA APP

Connecting with Smart Device

Download 'One Light' App from the Apple App Store and install.

Download "One Light" App from the Google Play Store and install.

1. Make sure your smart device has Bluetooth and Location turned on.

2. Download 'One Light'App.

3. Open App, tap 'Pairing' to connect the light.

4. Connect to a power source. It will enter Pairing Mode automatically. Note: If indicator does not flash white, refer to FAQ for solutions.

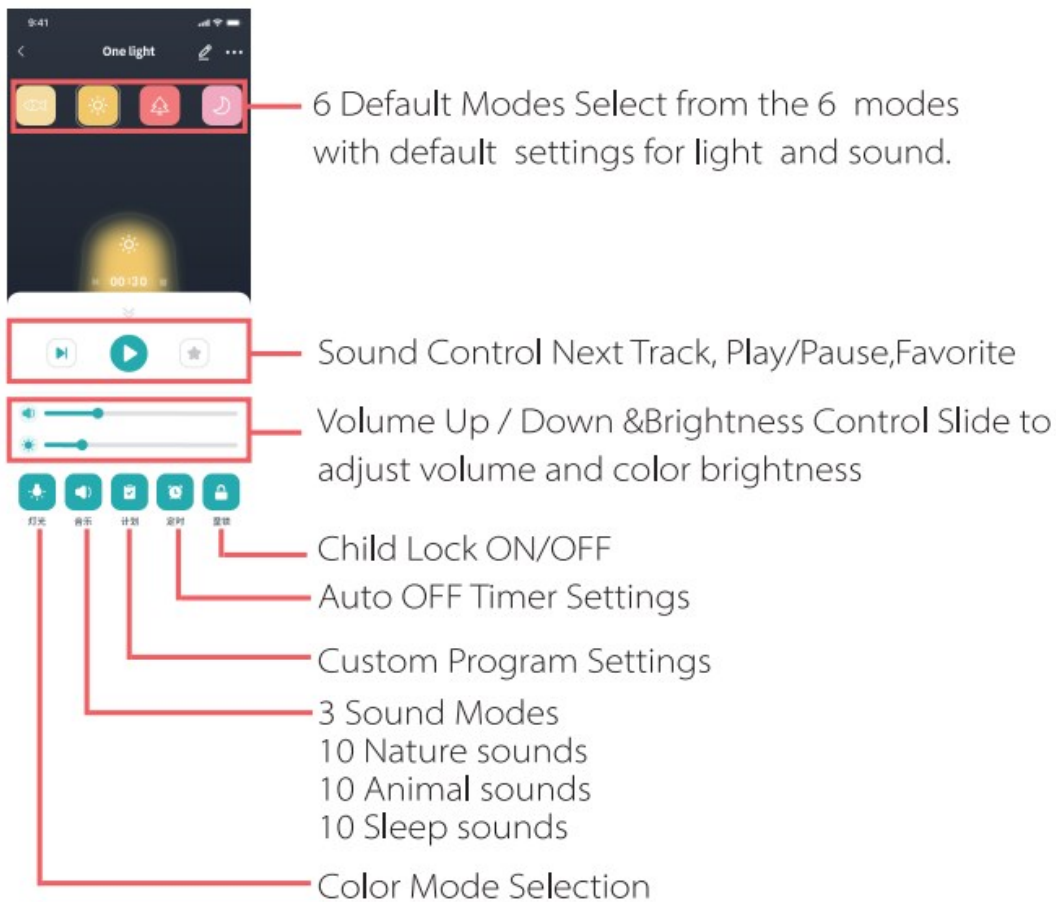

5. Follow the on-screen instructions to add your light.

Controlling via One Light App

One Light App allows you to control and customize your controls for White Noise Night Light via your smart device.

CLEANING AND MAINTENANCE

- Wipe with a dry cloth to clean and get rid of dust on a regular basis.
- Do not immerse in water or liquids.
- The night light shall not be collided or crushed.
- Avoid contact with sharp objects and strong chemicals.
- When not in use for a long period of time, it is recommended to store in a cool, dry location.

TROUBLESHOOTING GUIDE
