## Shirui SI07E IFPD WiFi and Bluetooth Module

## Product Information

### Specifications

- **Model:** WiFi Module V1.0
- **Date:** 2024-3-20
- **Compatibility:** Interactive Intelligent Panel
- **Functionality:** Wireless network connectivity

## Product Usage Instructions

**Safety Warning**
Before using the WiFi module, ensure the power cord of the Interactive Intelligent Panel is disconnected.

### Installation Procedure

1. Loosen the screws and remove the bracket from the panel.
2. Secure the wireless device in place by tightening the removed screws to complete the installation.
3. Insert the WiFi module fully into the tablet device following the direction of the arrow.

### Function

1. After installation, power on the Interactive Intelligent Panel.
2. Click on “Settings” on the screen.
3. Click on “Wireless Network” to open or close the wireless network.
4. Select Wi-Fi settings and connect to a network.

### FAQ

- **Q: Is the WiFi module compatible with all devices?**
  A: No, the WiFi module is designed specifically for use with the Interactive Intelligent Panel.
- **Q: How do I troubleshoot if I cannot connect to a Wi-Fi network?**
  A: Ensure that the WiFi module is securely installed and try restarting both the panel and the module. Check for any network interference as well.

**Note:**
All the pictures in this manual are for reference only, subject to our available products.

## Safety Warning

Before using and operating this device, please read thoroughly and comply with the following precautions to prevent accidents or inaccurate operations.

1. **Placement**
    1. DO NOT charge or use the device in dusty or wet conditions, to prevent internal circuit failure.
    2. Keep the device away from heat sources such as an electric heater.

3. The normal operating temperature is 0-40℃, normal operating humidity is 10%-90%RH.

2. **Children Safety**
    1. The product and accessories may contain some small parts.
    2. Please place them beyond the reach of children in avoidance of swallowing danger.
3. **Water Precaution**
    1. The product is not waterproof, please keep it dry.
4. **Maintenance**
    1. When the equipment is damaged, please do not disassemble it for repair without permission, please call customer service to report for repair.
    2. Please contact professional service personnel for maintenance services.
    3. DO NOT insert any sharp or pointed object into the device.
    4. Prevent the device from falls and collisions with other objects, which may cause damage.
