Showtec Sonus Bar 8B 24 RGBW LEDs Up to 8 Controllable

Product Usage Instructions

• Safety Instructions

- Read and follow all safety instructions provided in the user manual before installing, operating, or servicing the Sonus Bar 8B. Failure to do so may result in hazardous situations.

• Power Supply

- Before connecting the device to a power supply, ensure that the current, voltage,

and frequency match the specifications indicated on the information label located on the back of the device.

- **Professional Use Only**

- The Sonus Bar 8B is intended for professional use as a battery-powered stage light effect. Ensure that the device is used only for its designated purposes to prevent hazardous situations and damage.

- **Device Maintenance**

- Prior to each use, visually inspect the device for any defects. Do not modify the device as it may void the warranty and lead to injuries or damage.

- **Environmental Conditions**

- Avoid exposing the Sonus Bar 8B to conditions that exceed its IP20 rating. The IP20 rating provides protection against solid objects larger than 12 mm but does not protect against water ingress.

PRODUCT OVERVIEW
