Simple Designs LT2024-AOW Stick Table Desk Lamp

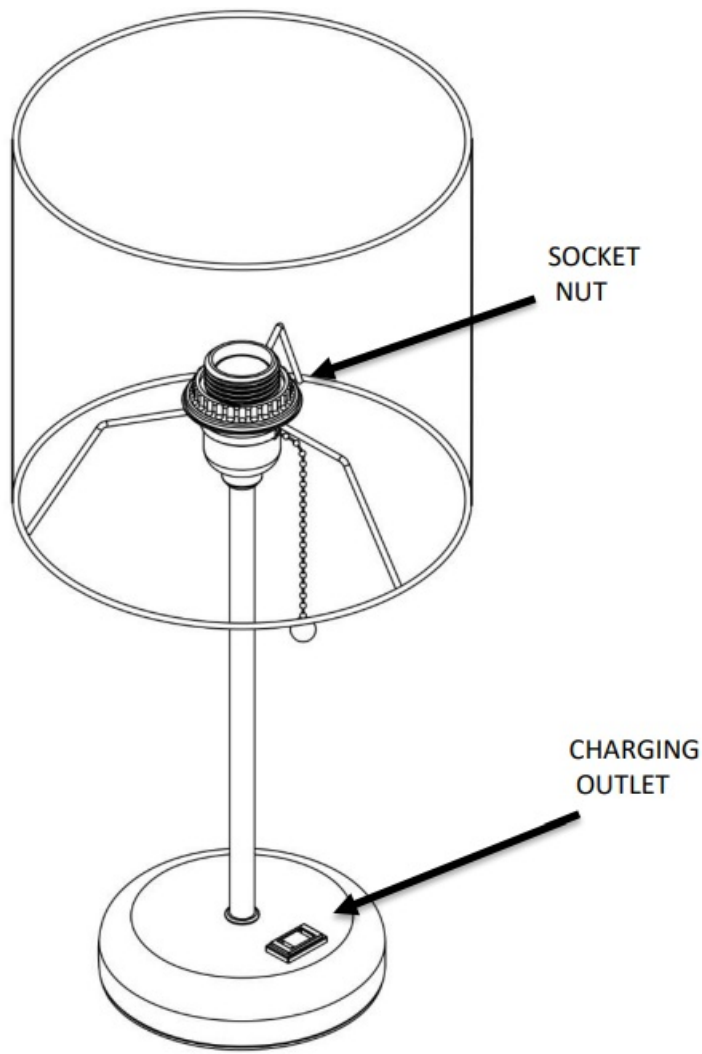

IMPORTANT SAFETY INSTRUCTIONS:

This portable lamp has a polarized plug (one blade is wider than the other). As a safety feature to reduce the risk of electrical shock and fire, this plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use an extension cord unless the plug can be fully inserted. Do not alter this safety feature.

This lamp is for indoor use only. The lamp should not be used near water. Never immerse the lamp in water or other liquids. Never cover the lamp with any object including cloth or paper as this is a fire hazard. Do not handle the bulb immediately after the light is turned off as it will be hot. This is not a toy.

ASSEMBLY INSTRUCTIONS

1. Unscrew the socket nut and remove the lamp shade. Remove the protective plastic. Return the lamp shade to the body and secure with socket nut.
2. Install bulb. Only use bulb of specified type and maximum rated wattage or less.
3. Plug the electrical supply cord into the wall outlet. Use the pull chain located on the socket to turn the lamp on/off.

***Note:** The additional outlet on base is not a standalone power source. Lamp must be plugged in for power to be provided to this outlet.

Features

1. **Style:** The Simple Designs LT2024-AOW Stick Table Desk Lamp has a sleek white base and a bright aqua fabric shade for a modern and simple look. Contemporary decor goes well with this style, which gives any room a clean, stylish look.
2. **Pull Chain Switch:** This lamp has an easy-to-use pull chain switch that lets you turn it on and off. This useful design means you don't have to look for a switch, which is great for places with low light or next to the bed.
3. **Fits LED lights:** The Simple Designs LT2024-AOW is made to work with LED lights that are up to 60 watts. This gives you lighting that uses less energy, so your bills will go down, but it works the same way and is as bright as regular lights.
4. This table lamp can be used in many places, including the office, living room, bedroom, dining room, and even the entrance. Its small size and modern look make it easy to fit into any room while still providing useful lighting.
5. **Portable and Stylish:** This lamp is portable and stylish, measuring 8.5" D x 8.5" W x 19.5" H. It doesn't take up too much room. It works well with smaller tables or places where you want to add a splash of color without making the room look too busy.
6. **Pull Chain On/Off Switch:** The pull chain switch makes it easy to control the lamp. This is especially helpful for nightstands or other places where you need quick access without having to reach for the cord.
7. **Charge Your Phone or Tablet:** The outlet on the Simple Designs LT2024-AOW's base is one of its most useful features. It lets you charge your phone, tablet, or other electronics while you work or sleep. You can use the plug while the light is on or off, which is convenient because you don't have to add another outlet to the wall.
8. **Ideal bedtime Partner:** This lamp is a great bedtime partner because it is both useful and stylish. It makes your daily life easier by giving you both lights and charging in one small package, thanks to its built-in power outlet and easy-to-use pull chain switch.
9. **Three-Prong Outlet:** The lamp has a three-prong outlet that lets you charge your phones, tablets, and other small electronics with two plugs. This is very helpful in places where there aren't many stores.
10. The port at the base of the lamp saves space because you don't have to reach behind furniture to plug things

- in. This feature that saves space is great for dorm rooms, bedrooms, and desks that need to be easy to get to.
11. You can add a splash of color with this lamp because it comes in many colors, from neutrals to gem tones. You can match it to the color plan of your room or use it to add a big splash of color. The aqua color makes the pattern more lively, and the white base keeps it clean and modern.
 12. **Very Small:** This table lamp is just the right size for small desks or tables, measuring 8.5" x 8.5" x 19.5". Its size is just right for beds, nightstands, or office desks without taking up too much room.
 13. **A Beautiful Simplification:** The Simple Designs LT2024-AOW has a fresh, modern look that works well in many places. The white base and solid-colored drum fabric shade give it a modern look that goes with any setting.
 14. **Power Outlet:** You can charge your phone, iPad, iPod, iPhone, and other tools through the outlet on the base of the lamp. This function is very useful, especially in places with few outlets, because it saves you from having to look for free wall outlets.
 15. **Bulb Needed (Sold Separately):** The lamp needs a 60-watt equivalent A19 medium base bulb, which is not included but is easy to find online or at hardware shops. LED bulbs are suggested because they use less energy.
 16. **Ability to adapt:** The Simple Designs LT2024-AOW can be used in many places, including a bedroom, a child's room, an office, a nursery, or even a college dorm room. It can be used in any room that needs both useful lighting and a decorative touch because of its modern look and ability to be charged.
 17. **More Color Choices:** The lamp comes in a number of color choices, including a romantic light pink version (model LC2001-LPK), so you can pick the one that looks best in your room.
 18. **Easy to Set Up:** This lamp is simple to put together and doesn't need any difficult instructions. The bulb is ready to use as soon as it is put in place and plugged in.

Usage

- **For Reading or Working:** The Simple Designs LT2024-AOW Stick Table Desk Lamp is perfect for lighting a small work or study area. Its uplight/downlight method provides adequate brightness for reading or writing.
- **Decorative Accent:** With its modern design, it can also serve as a decorative piece in any room.
- **Indoor Use Only:** This lamp is designed for indoor use only, providing the right ambiance and lighting for various indoor spaces.

CLEANING & MAINTENANCE

Uses 1 x 60 Watt Type A Medium Base Bulb (not included)

1. Unplug the fixture before cleaning.
2. Use a clean, dry, lint-free cloth.
3. Do not use water or other chemical cleaning agents.

Troubleshooting

Lamp Not Turning On:

- Check if the bulb is correctly inserted and functioning.
- Ensure the power cord is properly plugged into a functioning outlet.
- Verify that the pull chain switch is in the on position.

Flickering Light:

- Make sure the bulb is securely screwed into the socket.
- If the lamp uses an LED bulb, check that it is compatible with the lamp and is not defective.

Lamp is Too Dim:

- Confirm that the bulb wattage is within the recommended range (up to 60 watts).
- Ensure the bulb is not old or damaged and is still providing adequate light output.

Lamp Base or Shade Gets Hot:

- This lamp is designed to be safe for use, but it's important to use a bulb within the specified wattage range. Ensure the bulb doesn't exceed 60 watts to prevent overheating.
- Make sure the lamp is used in a well-ventilated area.
