## Get Started

### 2.1 Preparation

- **Power on**

Please turn on the power of the Miu Keeper by USB Type-C cable and AC adapter. The LED will light in yellow. Please wait about 2 minutes until turns to red, which means it is ready for the Wi-Fi link process.

- **Download SiMPNiC APP**

Visit App Store (iOS) or Google Play (Android) to download the latest version of the SiMPNiC App. Users can also scan the QR code below to download too.

<http://onelink.to/67scqq>

### 2.2 Connect Miu Keeper to the internet

#### 2.2.1 Setup by LAN cable

Please use the Ethernet RJ45 cable to connect Miu Keeper to your Home Wi-Fi router, then connect your smartphone to your home Wi-Fi (2.4GHz), too.

### **2.2.2 Setup by Wireless**

Press the back button of Miu Keeper 3 times constantly within 3 seconds, the LED will turn to blink blue for 4 minutes, then please follow the steps below.

1. Please follow the APP amination to connect your smartphone to Wi-Fi that SSID named "SiMPNiC-XXXXXX", the last six letters is from the last six letters of MAC ID that printed on the stick of Miu Keeper, then click next.
2. Select your Home Wi-Fi, key in the password, and click "Send SSID and password" for Miu Keeper to connect.
3. If Miu Keeper is connected to Home Wi-Fi, LED will light in steady blue.
4. There will be a push notification on your screen.
5. Follow APP instructions to go to Wi-Fi settings and make your smartphone re-connect to Home Wi-Fi (2.4GHz).

## **2.3 Add your Miu Keeper to SiMPNiC App**

### **2.3.1 Scan QR code:**

Press "Scan QR Code" then use the camera of your smartphone (If permission is requested, please press agree) to scan the QR code at the back of Miu Keeper. And then you will find Miu Keeper in your SiMPNiC App.

### **2.3.2 Wi-Fi-search:**

Press "Wi-Fi Search" to start the search. Miu Keeper will appear in your SiMPNiC App

## **2.4 Naming and Logging in Your Miu Keeper**

### **1. Naming**

Key in the preferred name for your Miu Keeper.

### **2. Logging in**

Key in the default account (admin) and password (admin). After log-in in, you have to change your password.

## **FAQ**

### **Q: If Miu Keeper is successfully set up, how can other family members use it?**

A: Family members can download SiMPNiC App and open it. If Miu Keeper is already connected to the internet, please click "Skip" at the welcome page and add Miu Keeper by scanning QR code.

### **Q: My Miu Keeper does not work. What can I do?**

A: Please re-plug Miu Keeper again to reboot it. You will see the LED light in yellow for two minutes then turn to blue (connected) or red (disconnected). In most cases, Miu Keeper can back to normal after a reboot.

### **Q: I try to reboot Miu Keeper, but it still does not work.?**

A: In this case, you have to reset Miu Keeper.

Notice: once you reset Miu Keeper, all the Wi-Fi linked information saved in Miu Keeper will be lost, you have to re-link Wi-Fi for connection.

### **Q: How to reset Miu Keeper?**

A: Press the back button of Miu Keeper for over 10 seconds.

The LED light will turn to yellow. After two minutes, LED will turn to blue (connected) or red (disconnected).

## FCC Statement

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and

used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

## FCC Radiation Exposure Statement:

The equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.

This equipment should be installed and operated with a minimum distance 20cm between the radiator and your body.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

## Warranty

Warranty Disclaimer:

Thank you for your interest in the products and services of SiMPNiC. This Limited Warranty applies to physical goods, and only for physical goods, purchased from SiMPNiC.

### What does this limited warranty cover?

This Limited Warranty covers any defects in material or workmanship under normal use during the warranty period. During the warranty period, SiMPNiC will repair or replace, at no charge, products or parts of a product that proves defective because of improper material or workmanship, under normal use and maintenance.

### What will we do to correct problems?

simply will either repair the product at no charge, using new or refurbished replacement parts.

### How long does the coverage last?

The warranty period for physical goods purchased from SiMPNiC is 365 days from the date of purchase. A replacement physical good or part assumes the remaining warranty of the original physical good or 90 days from the date of replacement or repair, whichever is longer.

### What does this limited warranty not cover?

This Limited Warranty does not cover any problem that is caused by conditions, malfunctions, or damage not

resulting from defects in material or workmanship.

### What do you have to do?

To obtain warranty service, you must first contact us to determine the problem and the most appropriate solution for you.

※We may, at any time, and at our sole discretion, modify these Terms and Conditions of Use, including our Privacy Policy and Warranty, with or without notice to the user. Any such modification will be effective immediately upon public posting. Your continued use of our Service, products, and official website following any such modification constitutes your acceptance of these modified Terms.
