Sinvitron C5-P 5200mAh Camping Lantern

Launch Date: 2023

Price: \$24.88

Introduction

The Sinvitron C5-P 5200mAh Camping Lantern is a flexible and movable light that will make your outdoor activities more fun. It gives off up to 1000 lumens of bright light, making it useful for camping, climbing, and emergency situations. The lamp has five lighting modes: natural white, warm white, cool white, red strobe, and red SOS. The brightness can also be changed with stepless dimming. Its 5200mAh recharging battery makes sure that it works for a long time; in low mode, it can light up for up to 100 hours. It can also be used as a power bank to charge your gadgets while you're on the go. The lantern's design is strong and waterproof (IPX5 rating), so it can be used in a range of weather situations. It is small and light, and has a strong magnetic base that makes it easy to put on metal surfaces. It also comes with a remote control that lets you easily operate it from up to 10 meters away. The Sinvitron C5-P Camping Lantern is a must-have for anyone who likes being outside because it can be used for many different things.

Specifications

- **Brand:** Sinvitron
- **Model:** C5-P

- **Finish Type:** Matte + Oil Spray
- **Product Dimensions:** 3.15"L x 3.15"W x 2.36"H
- **Battery Description:** Lithium-ion
- **Brightness:** 1000 Lumen
- **Item Weight:** 0.52 Pounds (8.3 ounces)
- **Mounting Type:** Magnetic
- **Water Resistance Level:** Water Resistant (IPX5)
- **Bulb Base:** E26
- **Number of Batteries:** 1 Lithium-Ion battery (included)
- **Specification Met:** CE, FCC, RoHS
- **Voltage:** 3.7V
- **Wattage:** 19.24 watts
- **Manufacturer:** Sinvitron
- **UPC:** 712641826801
- **Country of Origin:** China
- **Item Model Number:** C5-P
- **Warranty Description:** 1-year
- **Batteries Required:** No
- **Battery Type:** Lithium-Ion

Package Includes

- 1 x Sinvitron C5-P Camping Lantern
- 1 x Remote Control
- 1 x USB Charging Cable
- 1 x User Manual

Features

High Brightness

- **Up to 600 Lumens:** The lantern provides a powerful light output of up to 600 lumens, making it suitable for a variety of outdoor activities such as camping, hiking, and emergencies. This high brightness ensures you have ample illumination in dark environments.

Multiple Lighting Modes

- **Five Lighting Modes:**

- **Natural White:** Ideal for general use and creating a comfortable ambiance.
- **Warm White:** Provides a softer, warmer light for a cozy atmosphere.
- **Cool White:** Offers bright, clear illumination for detailed tasks.
- **Red Strobe:** Useful for signaling and emergencies.
- **Red SOS:** Designed for emergencies to attract attention.

Long Battery Life

- **5200mAh Rechargeable Battery:** The high-capacity battery ensures extended run time, providing up to 100 hours of light on the low setting. This makes it ideal for long-term use during outdoor adventures or power outages.

Power Bank Function

- **Emergency Power Supply:** The lantern doubles as a power bank, allowing you to charge smartphones and other USB devices. This feature ensures you stay connected even in remote locations.

Durable and Water-Resistant

- **IP65 Rating:** The lantern is built with high-quality ABS plastic and is rated IP65 for water resistance, making it splash-proof and suitable for use in various weather conditions.

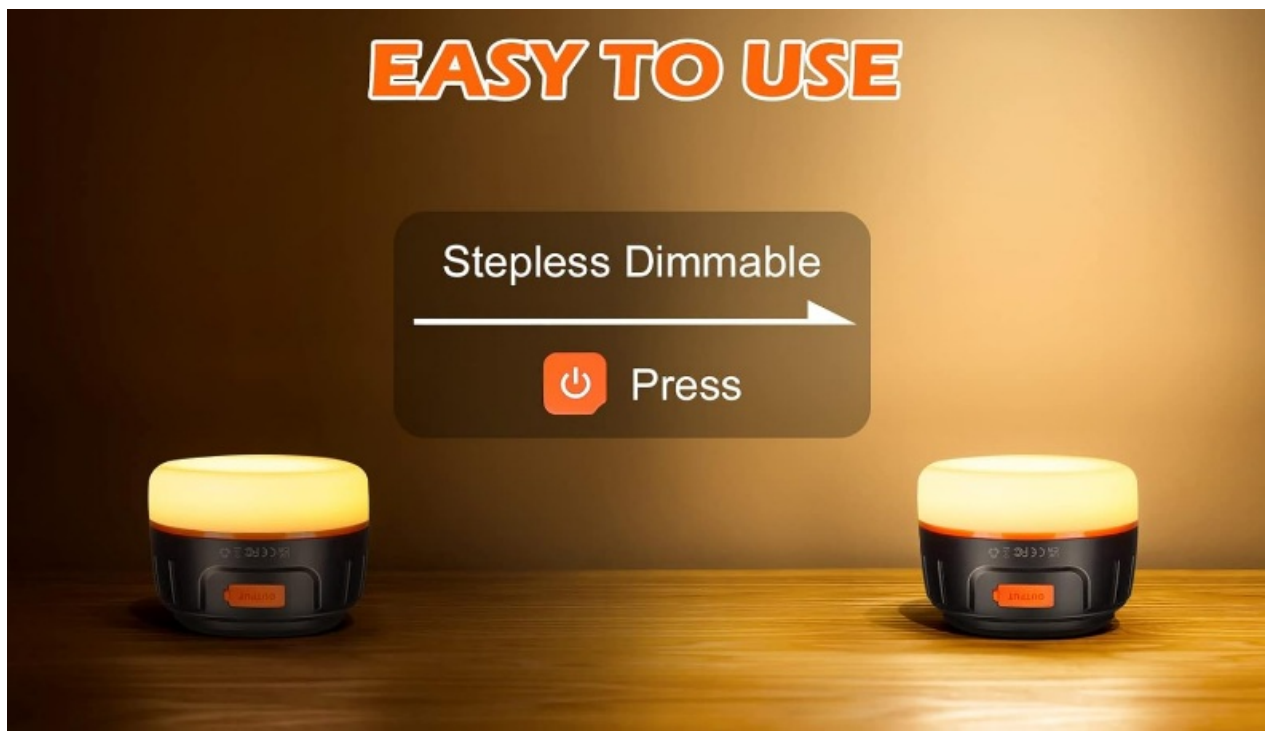

Compact and Portable

- **Lightweight and Easy to Carry:** The lantern is designed to be lightweight (approximately 0.5 pounds) and compact (around 3.14 x 2.36 inches), making it easy to pack and carry. It comes with a carabiner for convenient hanging.

Easy to Use

- **Single Button Operation:** The lantern features a simple, single-button operation to switch between different lighting modes, making it user-friendly and easy to operate.

Camping Lantern with Remote Control

- **Remote Control Convenience:** The included remote control allows you to switch between modes and adjust brightness from up to 10 meters (33 feet) away. The remote control is designed for power-saving, automatically turning off after 12 hours of inactivity. Reactivate it by pressing any button on the lantern.

Stepless Dimming

- **Customizable Brightness:** The lantern features stepless dimming, allowing you to adjust the brightness seamlessly to suit your needs.

Magnetic Base

- **Strong Magnetic Base:** The lantern is equipped with a magnetic base featuring two strong magnets, allowing you to attach it to any metal surface for hands-free use. This is particularly useful for mounting on bike frames, car bodies, or tent poles.

Reliable Emergency Light

- **Versatile Emergency Use:** Lightweight, efficient, and reliable, the lantern is perfect for emergencies, power outages, storms, and various outdoor activities. It serves as a reading light, night light, and emergency signal light.

Waterproof and Dustproof

- **IPX5 Waterproof:** The lantern is designed to withstand wet conditions, making it ideal for use in rain or near water. It is certified for water jet resistance, ensuring reliable protection against water and dust.

Compact Size

- **Mini Dimensions:** The lantern's compact size (2.36" x 3.14") and lightweight design (0.35 pounds) make it highly portable, ensuring it won't weigh you down during your adventures.

Cozy Indoor Lighting

- **Gentle Ambiance:** The soft light from the lantern enhances indoor spaces, creating a comfortable and eye-friendly atmosphere, perfect for use as a night light or reading light.

Red SOS Light

- **Emergency Signal:** The red SOS light is an essential feature for attracting attention and signaling for help during emergencies.

Versatile Hanging Design

- **Convenient Hanging:** The lantern can be easily hung wherever needed, providing added convenience and flexibility during use.

Mini Camping Light with Foldable Hook

COMPACT
Easy hang it anywhere

Usage

- **Turning On/Off:** Press the power button to turn the lantern on. Press the button repeatedly to cycle through the lighting modes (high, medium, low, strobe, SOS).
- **Charging the Lantern:** Use the included USB cable to charge the lantern by connecting it to a USB power source. The charging indicator will show the battery level.
- **Using as a Power Bank:** Connect your device to the USB output port on the lantern to charge it.

Care and Maintenance

- **Cleaning:** Wipe the lantern with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the lantern in a cool, dry place when not in use. Avoid exposing it to extreme temperatures or direct sunlight.
- **Battery Maintenance:** Recharge the battery every 3-6 months if not used regularly to maintain battery health.

Troubleshooting

| Issue | Possible Cause | Solution |
|----------------------------|---------------------------------------|---|
| Lantern Not Turning On | Battery is depleted | Charge the lantern using the included USB cable |
| | Faulty power button | Ensure the power button is not damaged |
| Charging Issues | USB cable or power source is faulty | Try a different USB cable or power source |
| | Loose connections | Ensure the USB cable is securely connected |
| Dim Light Output | Low battery level | Recharge the battery |
| | Incorrect lighting mode | Check and adjust the lighting mode |
| Power Bank Not Charging | Device not properly connected | Ensure proper connection to the USB output port |
| | The lantern battery is low | Recharge the lantern |
| Remote Control Not Working | Out of range | Use the remote within 10 meters of the lantern |
| | The battery in the remote is depleted | Replace the remote control battery |

Pros and Cons

Pros:

- Bright 1000 lumens output
- Long battery life up to 150 hours
- Remote control for easy operation
- Waterproof and durable construction
- Dual-purpose as a power bank

Cons:

- May be too heavy for some users
- Limited to 5 lighting modes

Customer Reviews

- “I’ve been using the Sinvitron C5-P Camping Lantern for a few months now, and I’m incredibly impressed with its performance. The bright light and long battery life make it perfect for camping and power outages. The remote control is a game-changer, and the waterproof design gives me peace of mind.” – John D.
- “The Sinvitron C5-P is a must-have for any outdoor enthusiast. It’s durable, reliable, and provides ample lighting for my camping trips. The magnetic base is a great feature, and I love that it can double as a power bank.” – Sarah M.
