Skydio X10 Versatile Quadcopter Drone

## Product Information

### Specifications

- **Battery:** Lithium-ion
- **Warranty:** One (1) Year Limited Warranty
- **Safety:** Skydio Safety and Operating Guide
- **Legal Information:** FCC Compliance, California Prop 65 Warnings
- **Compliance:** FAA Remote Identification Regulations

## Product Usage Instructions

### Getting Started

- Before operating Skydio X10, review the Getting Started information provided in the Skydio X10 Operator Manual available at: [www.skydio.com/manuals](http://www.skydio.com/manuals).

### Safety and Handling

- Review the Skydio Safety and Operating Guide available at: [www.skydio.com/safety](http://www.skydio.com/safety). Handle the battery with extreme care and refer to the manuals for additional information on battery handling and disposal according to local environmental laws.

### Warranty and Care

- Refer to the Skydio One (1) Year Limited Warranty available at: [www.skydio.com/legal/limited-warranty](http://www.skydio.com/legal/limited-warranty). Consider purchasing Skydio Care for additional protection against collisions, water damage, or lost drones.
- Details on Skydio Care can be found at: <https://www.skydio.com/legal/skydio-care-terms-of-service>.

## California Prop 65 Warnings

- Be aware of the California Prop 65 Warnings related to lithium-ion batteries and chemicals in the controller. For more information, visit [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

## FCC Compliance Statement

- Ensure compliance with FCC Rules and ISED Canada license-exempt standards. Any changes not approved by Skydio may void the user's authority to operate the devices.

## FAA Compliance Statement

- Compliance with 14 CFR Part 89 regulations on Remote Identification per ASTM standards unless exempted.

## FAQ

### Q: How do I dispose of the battery?

A: Refer to the Skydio X10 Operator Manual and Skydio Safety and Operating Guide for detailed instructions on battery disposal according to local environmental laws.

### Q: What is Skydio Care?

A: Skydio Care is a subscription service offering protection from collisions, water damage, and lost drones not covered under the Limited Warranty.

Details on purchasing and benefits can be found at: <https://www.skydio.com/legal/skydio-care-terms-of-service>.

## About Skydio X10

- Before operating Skydio X10, review the Getting Started information including the Skydio X10 Operator Manual available at: [www.skydio.com/manuals](http://www.skydio.com/manuals).
- Retain documentation for future reference.

## Safety and Handling

Review the Skydio Safety and Operating Guide available at: [www.skydio.com/safety](http://www.skydio.com/safety).

## Battery

- Handle the battery with extreme care and refer to the Skydio X10 Operator Manual and the Skydio Safety and Operating Guide for additional information.
- Carefully dispose of batteries according to your local environmental laws and guidelines.

## Limited Warranty

### Skydio One (1) Year Limited Warranty

- Skydio warrants the included hardware product against defects in materials and workmanship in hardware under normal use under published guidelines including but not limited to the Terms of Use, Skydio X10 Operator Manual, and the Skydio
- Safety and Operating Guide for one year from the date of delivery (the “Limited Warranty”).
- The Limited Warranty does not warrant against normal wear and tear or damage caused by accident or abuse and does not apply to any software provided with the hardware product.
- The Limited Warranty is subject to the full terms and detailed information about how to obtain service available at: [www.skydio.com/legal/limited-warranty](http://www.skydio.com/legal/limited-warranty).
- If you submit a valid claim under this Limited Warranty, Skydio will either repair, replace, or refund your hardware product at its sole discretion. You may be required to furnish proof of purchase details when claiming this Limited Warranty.

## **Skydio Care**

- Skydio offers Skydio Care as a subscription service at an additional cost that provides protection from collisions, water damage, or lost drones which are not covered under the Limited Warranty.
- Skydio Care can be purchased as a one (1) year plan co-extensive with the Limited Warranty, or as a three (3) year plan, which includes a two (2) year extension to the one (1) year term of the Limited Warranty.
- Skydio Care is subject to the full terms and detailed information about how to obtain service available at: <https://www.skydio.com/legal/skydio-care-terms-of-service>.
- If you submit a valid claim under Skydio Care, you may be eligible to purchase discounted drone replacements for otherwise uncovered damage or losses. The Skydio Care benefits are in addition to the rights provided under the Limited Warranty.

## **California Prop 65 Warnings**

- Skydio X10 uses lithium-ion batteries. Exposure to lithium-ion, containing cobalt lithium nickel oxide, and nickel, is known to the State of California to cause cancer birth defects, or other reproductive harm.
- For more information visit: [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).
- Skydio X10 Controller contains chemicals including cadmium, which is known to the State of California to cause cancer birth defects, or other reproductive harm. For more information visit: [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).

## **FCC Statement**

### **FCC Compliance Statement**

These devices comply with Part 15 of the FCC Rules and with ISSED Canada license-exempt RSS standard(s). Operation is subject to the following two conditions:

1. these devices may not cause harmful interference,
2. these devices must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by Skydio could void the user's authority to operate these devices. These devices have been tested and found to comply with the limits for a Class A digital device,

according to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when these devices are operated in a commercial environment. These devices generate, use, and can radiate radio frequency energy and, if not installed and used under the Operator Manual and Safety and Operating Guide, may cause harmful interference to radio communications. Operation of these devices in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense. This Class A digital apparatus complies with Canadian ICES-003. Cet appareil numérique de classe A est conforme à la norme Canadienne NMB-003.

**FAA Compliance Statement**

Unless specifically exempt, this product complies with 14 CFR Part 89 regulations on Re-mote Identification per ASTM F3411-22a-RID-B and ASTM F3586-22.

**Software License**

The Skydio Software End-User License Agreement available at [www.skydio.com/legal/eula](http://www.skydio.com/legal/eula) governs the use of any Skydio software that is pre-installed, downloaded, installed, or otherwise provided in connection with any included hardware.
