Sleepbox

Sleepbox SWN-HA1 Portable White Noise Sound Machine

Launch Date: February 21, 2024

Price: \$39.99

Introduction

This article will teach us about the Sleepbox SWN-HA1 Portable White Noise Sound Machine, which is made to make you feel calm so you can sleep better. This small and light machine lets you choose from 30 different sounds, such as white noise, nature sounds, and songs that are good for soothing babies. You can use it at home or on the go. The Sleepbox's portable battery lets you use it for up to 22 hours on a single charge, so you can sleep soundly all night. The 32 noise levels and timer settings on the machine help you make the perfect sleep environment. It's a great choice for people of all ages because it's built to last and has safety standards. It's also easy to take and attach to different surfaces thanks to its portable design and included adjustable strap. With a 365-day protection, this device promises a stress-free and relaxing night's sleep no matter where you are.

Specifications

- **Color:** White
- **Brand:** Sleepbox
- **Material:** Plastic
- **Power Source:** Battery Powered (Rechargeable Lithium Polymer Battery included)
- **Music Tracks:** White Noise and 30 soothing sleep sounds
- **Package Dimensions:** 3.94 x 3.5 x 2.17 inches
- **Weight:** 5.61 ounces
- **Item Model Number:** SWN-HA1
- **Battery Type:** 1 Lithium Polymer battery required (included)

- **Battery Life:** Up to 22 hours on a full charge

Package Includes

- 1 x Sleepbox SWN-HA1 White Noise Sound Machine
- 1 x USB Charging Cable
- 1 x User Manual
- 1 x Carrying Pouch

Features

- **Portable Design**

The Sleepbox SWN-HA1 is engineered with portability in mind. Its compact size and lightweight design make it the perfect travel companion. It can easily fit into a backpack or luggage, ensuring you can take your sleep aid with you wherever you go. An adjustable strap is also included, which allows the device to be securely attached to strollers, car seats, or cribs, making it an ideal solution for both adults and babies alike. This makes it versatile for home use, as well as while traveling or on-the-go.

- **Rechargeable Battery**

The device features a built-in rechargeable battery that can last up to 22 hours on a full charge, which provides peace of mind for an entire night's sleep without needing to worry about recharging. The USB-C charging port makes it convenient to recharge without the need to frequently buy batteries or search for power outlets. The long-lasting battery life ensures it remains operational throughout your day or night, making it efficient and environmentally friendly.

- **30 Soothing Sleep Sounds**

This machine is loaded with 30 different sound options to cater to all preferences. The sound library is divided into three categories: white noise, nature sounds, and baby-soothing sounds. You can choose from classic white noise, pink noise, brown noise, and natural sounds like ocean waves, rain, and bird chirping. It also offers baby-friendly sounds, including heartbeats, hushes, and lullabies, creating a comforting sleep environment for infants. These sounds can be easily selected using three specific buttons, allowing you to find your favorite sound quickly.

- **32 Adjustable Volume Levels**

The Sleepbox SWN-HA1 features 32 adjustable volume levels, which allows you to set the sound level to your preferred comfort. Whether you need a soft, gentle sound to lull you to sleep or a louder white noise to block out disruptive environmental noises, this machine adapts to your needs. Its versatility ensures that you can create the perfect sleep environment at home or while traveling, allowing you to mask annoying sounds like traffic or loud neighbors.

- **4 Timer Options**

For added convenience, the Sleepbox SWN-HA1 includes four timer options: 30 minutes, 60 minutes, 90 minutes, and continuous play. You can select the timer that fits your sleep habits, and it will automatically shut off after the set duration. This feature ensures that the device won't run all night if you don't need it to, conserving battery life. The machine also has a memory function, which remembers your last-used settings, so you don't have to adjust them each time.

- **Durable Build**

The Sleepbox SWN-HA1 is made from durable ABS plastic, ensuring that the device can withstand daily use and travel without easily breaking or wearing down. This material is lightweight yet sturdy, offering long-lasting reliability and resistance to external impacts. Its solid construction gives it a premium feel while maintaining functionality.

- **User-Friendly Design**

The design of the Sleepbox SWN-HA1 is intuitive and easy to use, even for first-time users. The control buttons are straightforward and labeled for quick access to sound selection, volume adjustment, and timer setting. Whether it's late at night or during a sleepy moment, operating this sound machine is hassle-free.

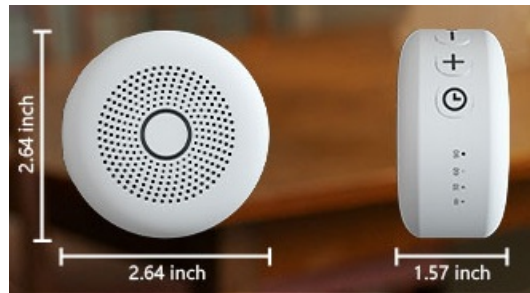

- **Safety and Certification**

The Sleepbox SWN-HA1 has been tested and certified by major safety standards, including FCC, CE, and RoHS, ensuring it meets strict quality and safety regulations. This guarantees that it is safe for use, especially in environments with babies and children.

- **Long-Term Warranty**

To provide extra peace of mind, the manufacturer offers a 365-day warranty. If you encounter any issues or concerns, customer service is readily available to assist, ensuring your device is protected and fully functional for a long period.

Dimension

Usage

1. **Charging:** Use the provided USB cable to charge the device. A full charge takes about 2-3 hours.
2. **Power On/Off:** Press the power button to turn the machine on or off.
3. **Select Sound:** Use the sound button to cycle through the six available white noise options.
4. **Volume Adjustment:** Adjust the volume using the dedicated buttons.
5. **Set Timer:** Press the timer button to select your desired sleep timer (30, 60, or 90 minutes).

Care and Maintenance

- **Cleaning:** Use a dry or slightly damp cloth to clean the exterior of the machine. Avoid using harsh chemicals or submerging the device in water.
- **Storage:** Store the machine in the provided pouch when not in use, especially during travel.
- **Battery Care:** To prolong battery life, charge the device fully before storing it and avoid letting the battery completely deplete frequently.

Troubleshooting

Issue	Possible Cause	Solution
The device won't turn on	Battery is dead	Recharge the device using the USB-C cable
No sound or low sound volume	Volume is set too low or the speaker is blocked	Increase the volume or clean the speaker area
The device turns off unexpectedly	The timer is set or the battery is low	Check timer settings or recharge the battery
Charging issues	USB-C cable not properly connected or port is obstructed	Ensure the cable is securely plugged in and clean the charging port
Sound skipping or distortion	The device may need a reset	Power off the device, wait 10 seconds and restart
The device does not remember the settings	Memory function failure	Reset the machine and configure settings again

Pros and Cons

Pros	Cons
Lightweight and portable	Limited battery life compared to some competitors
Variety of soothing sounds	May not be suitable for very large rooms
User-friendly controls	Some users may prefer more advanced features
Rechargeable with long usage time	Sound quality may vary based on the settings

Warranty

The Sleepbox SWN-HA1 comes with a comprehensive **365-day warranty**, ensuring that you can enjoy your sound machine worry-free. For warranty claims or service inquiries, please refer to the manufacturer's guidelines included with your product.

FAQs

What sounds does the Sleepbox SWN-HA1 Portable White Noise Sound Machine offer?

The Sleepbox SWN-HA1 offers 30 different sounds, including classic white noise, pink noise, brown noise, and natural sounds like rain, ocean, and birds.

How long does the battery last on the Sleepbox SWN-HA1 Portable White Noise Sound Machine?

The Sleepbox SWN-HA1 has a rechargeable battery that lasts up to 22 hours on a full charge, providing long-lasting sound throughout the night.

What type of battery does the Sleepbox SWN-HA1 Portable White Noise Sound Machine use?

The Sleepbox SWN-HA1 uses a built-in rechargeable Lithium Polymer battery, which is included with the device.

What are the dimensions of the Sleepbox SWN-HA1 Portable White Noise Sound Machine?

The Sleepbox SWN-HA1 measures 3.94 x 3.5 x 2.17 inches, making it compact enough to fit in a bag for travel or daily use.

What is included in the Sleepbox SWN-HA1 Portable White Noise Sound Machine package?

The Sleepbox SWN-HA1 package includes the sound machine itself, a USB-C charging cable, a carrying pouch, and a user manual.

How do I charge the Sleepbox SWN-HA1 Portable White Noise Sound Machine?

The Sleepbox SWN-HA1 is charged using the included USB-C charging cable. A full charge takes about 2-3 hours.

How loud can the Sleepbox SWN-HA1 Portable White Noise Sound Machine get?

The Sleepbox SWN-HA1 can be set to different volumes, with its highest volume loud enough to block out most environmental noises, creating a peaceful sleep atmosphere.

What type of sounds are included in the Sleepbox SWN-HA1 Portable White Noise Sound Machine?

The Sleepbox SWN-HA1 includes a variety of sounds like white noise, pink noise, nature sounds (rain, ocean waves, birds), and baby-soothing sounds such as lullabies and heartbeats.

How do I select different sounds on the Sleepbox SWN-HA1 Portable White Noise Sound Machine?

The Sleepbox SWN-HA1 has dedicated buttons that allow you to easily switch between the 30 available sounds, categorized into three types: white noise, nature sounds, and baby-soothing sounds.

How portable is the Sleepbox SWN-HA1 Portable White Noise Sound Machine?

The Sleepbox SWN-HA1 is extremely portable, weighing just 5.61 ounces and fitting easily into bags, making it ideal for travel or daily use on the go.

What materials is the Sleepbox SWN-HA1 Portable White Noise Sound Machine made of?

The Sleepbox SWN-HA1 is made from durable ABS plastic, providing a sturdy and long-lasting build.
