INTRODUCTION

A charging cable is something that you should always have on your person before heading out that door. You never know when you may get stuck in the desert with only your phone, but at least it will be fully charged! The variety of colors to choose from is suitable for anyone! The nylon is a tough material that will be sure to keep the charger safe in whatever it goes through.

PACKAGE CONTENTS

1 x Charging Cable

HOW TO USE

1. Start by unboxing your product and make sure everything is there and intact
2. Next you're going to plug the USB end into any port
3. And then go ahead and start charging your lightning device
