## INTRODUCTION

Want to ride in style? Impress others on the road? Do you love the rainbow? If you answered yes to any of those questions then this is the product for you. It can achieve all of the above within just a few minutes of driving. Never be scared to make a stance on the road and show your personality

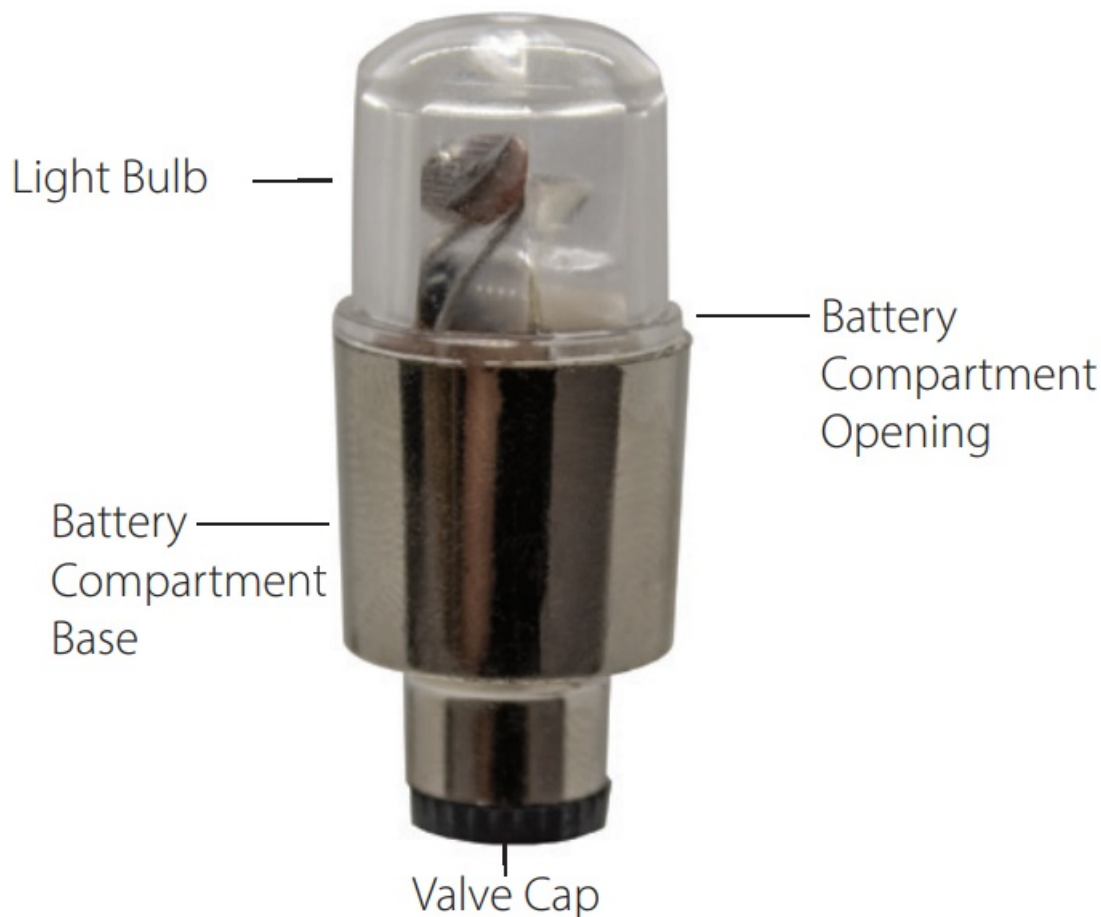

## PACKAGE CONTENTS

4x Tire Valve Lights

## HOW TO USE

1. First unbox and make sure you have all 4 valves
2. Unscrew the light cap off from the base to open it up to the battery compartment
3. Remove the piece of paper causing the battery to not activate. Make sure the batteries have the little + sign face down
4. Screw the bulb cap back on and it will immediately begin to light
5. Change this valve with the ones on your tires and get driving!
