INTRODUCTION

What's better than one flashlight? Two Flashlights! This 2 pack will come in handy whenever it's used. It has a convenient stand that allows you to prop it up. You might have two lights but you don't always have two sets of hands! The handle on these also allows u to hang it from something if there is nowhere to prop it up.

PACKAGE CONTENTS

HOW TO USE

1. First, unbox your new lights and make sure you have both
2. Next, you're going to remove the battery compartment and put 3 AA batteries in the space provided
3. Close up the compartment
4. Press the button on the top of the model
5. The light should immediately turn on
6. Enjoy!
