SM Tek Group MC24 Tablets and Mobile Unimount

INTRODUCTION

This Unimount is the perfect addition to any desk or place where you work. It has multiple rubber guards to make sure nothing slips and stays sturdy. With a low center of gravity, it can withstand the weight for any device. The holding tray allows you to keep other things close by without the thought of losing them

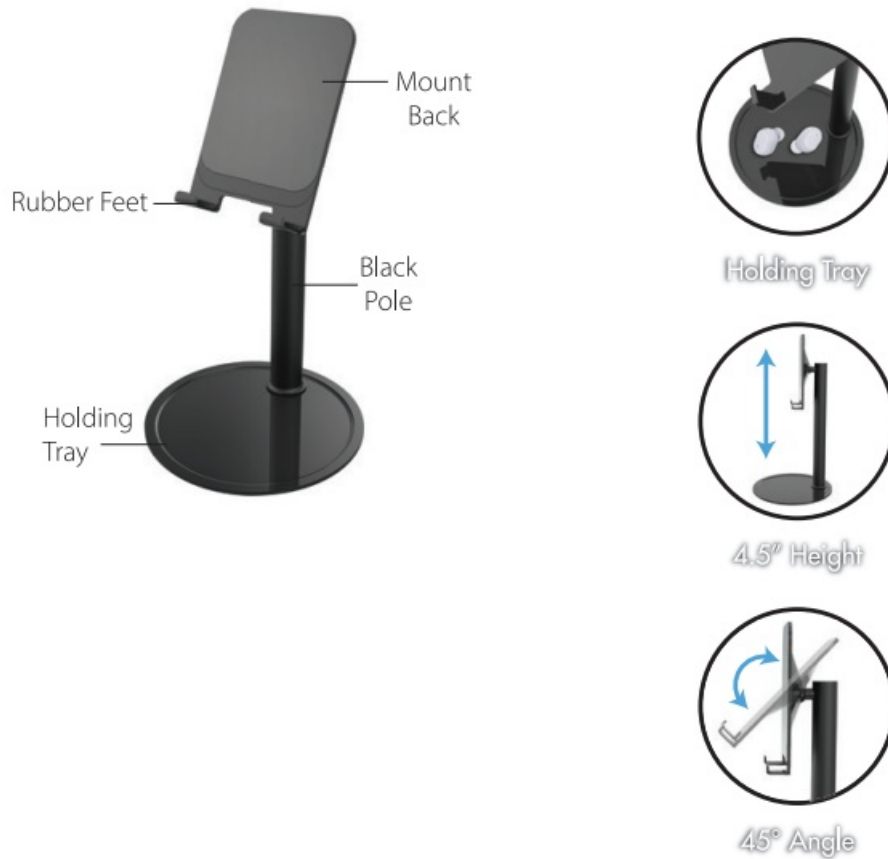

PACKAGE CONTENTS

- 1x Phone Mount
- 1 x Bottom Tray
- 1 x Black pole
- 1 x Allen Key and Screw
- 1 x Paper with 5 different rubber stickers

HOW TO USE

1. Unbox everything and make sure you have all pieces
2. Take the rubber pieces off the pad and start to stick them in their designated spots
3. Connect the pole to the mount and then to the base
4. Make sure all pieces fit snug
5. Shove the screw up the black pole
6. Use your alien key to twist the screw tight
7. Make sure everything is tight and secure so your device doesn't fall and break. Enjoy.

PRODUCT OVERVIEW
