## INTRODUCTION

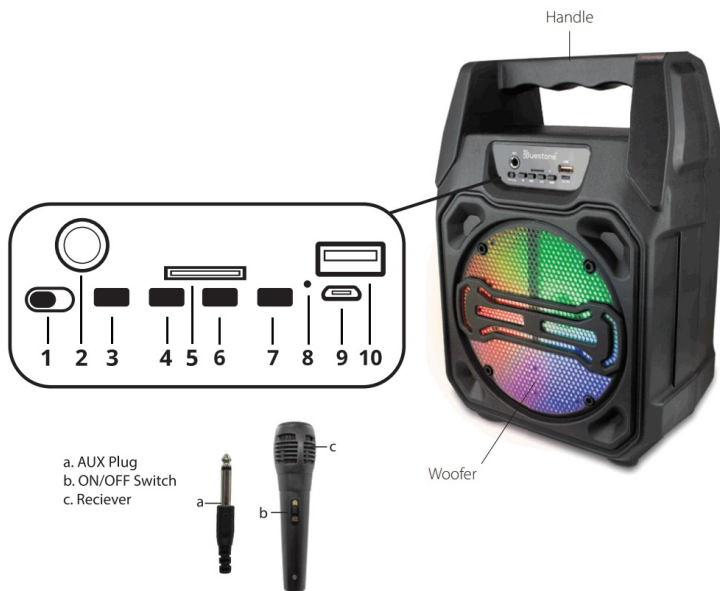

This is Bluestone's most durable speak...Take it on some of the most brutal hikes with you and it will keep up. This large speaker will withstand whatever large adventure you have planned. This giant 8" woofer will be able to fill up the whole forest as you venture out. It is able to be knocked around and take some damage with no actual damage to the speaker. It is the perfect speaker for those who like to live life on the wild side and don't let anything stop them from the journey.

## PACKAGE CONTENTS

1x Speaker to  
1x Microphone  
1x Charging Cable

## HOW TO USE

### Using MicroSD (TF) Card Slot – Max Capacity is 16GB

1. Insert the Micro SD (TF) Card or USB Drive preloaded with songs.
2. Speaker will automatically start playing songs
3. During playback, short press the Previous button to go back to the previous track, and press the Next button to skip to the next track.

### Using Bluetooth

1. Power on the product to enter into BT mode.
2. Search for and select "RockBox" on your external Bluetooth device.
3. The speaker will issue an indication tone after a successful connection.

### Using Radio

1. Press the mode button and choose FM mode.
2. Short press the Play/Pause button to begin scanning for all available stations.
3. Short press it again to stop searching.
4. Press the Next button to select the next stations.

### Using AUX

1. Power on the unit and cycle through Modes to the AUX IN selection.
2. Plug your AUX Cable in the AUX IN Port and use the device to select/play music.

### Using Karaoke

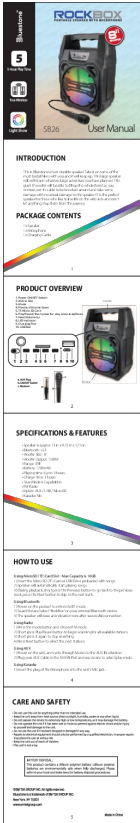

1. Insert the plug of the Microphone into the unit's MIC jack.

## CARE AND SAFETY

- Do not use this unit for anything other than its intended use.
- Keep the unit away from heat sources, direct sunlight, humidity, water, or any other liquid.
- Do not expose the device to extremely high or low temperatures, as it may damage the battery.
- Do not operate the unit if it has been wet or moist to prevent electric shock and/or injury to yourself and damage to the unit.
- Do not use the unit if it has been dropped or damaged in any way.
- Repairs to electrical equipment should only be performed by a qualified electrician. Improper repairs may place the user at serious risk.
- Keep the unit out of reach of children.
- This unit is not a toy.

### BATTERY DISPOSAL:

This product contains a lithium polymer battery. Lithium polymer batteries are environmentally safe when fully discharged. Please refer to your local and state laws for battery disposal procedures.
