INTRODUCTION

Bluestones Pill is just the pill you need to take every day. Bring it with you everywhere. In your pocket, in your bag, tied to your pants, around your neck...however you want! That's the beauty of the pill! Its portable carrying case is perfect for the on-the-go kind of people! The lanyard is an amazing addition for when you just don't have anywhere to hold them but still want to bring them with you. Tie it to anything or hang it around anything! The possibilities with this are endless. Don't worry, the magnetic case won't protect them from flying out!

PACKAGE CONTENTS

2x Individual Earbuds
1x Charging Case
1x Charging Cable
4x Silicone Earbud tips
1x Lanyard

HOW TO USE

Charging Case:

1. Connect the Micro USB end of the provided Charging Cable into the Micro USB Port of the Charging Case.
2. Connect the USB end of the USB Cable to any USB Charging Port.
3. While charging the Charging Case Indicator Lights will blink.

Charging Earbuds:

1. Charge the Earbuds by placing them into the already charged case.
2. The Ear Bud Indicator Lights will glow red while being charged.
3. All Indicator Lights will turn off once the earbuds are fully charged.

Pair Both Earbuds (TWS):

1. Simultaneously hold down the Multi-Function Button on Both earbuds for 3 Seconds.
2. The Pairing Indicator Light will blink red and blue and a sound will prompt that they are being paired.
3. The blue light will blink slowly to indicate that they have been paired.
4. Select "Pill" from your device's Bluetooth Interface

Make a Call:

1. Connect the earbuds to your Phone's Bluetooth.
2. To receive an incoming call press the Multi-Function Button once.
3. To deny an incoming call quickly press the Multi-Function Button twice.

Listen to Music:

1. Connect the earbuds to your Phone's Bluetooth.
2. Use your Phone's interface to select your music.
3. Press the Multi-Function Button to Pause/Play Music.

Turn Off the Earbuds:

1. Press the Multi-function Button for 5 Seconds or until the red light blinks
2. The earbuds will automatically turn off if they are out of reach of the Bluetooth Device or if the Bluetooth Device shuts down.

CARE AND SAFETY

- Do not use this unit for anything other than its intended use.
- Keep the unit away from heat sources, direct sunlight, humidity, water, or any other liquid.
- Do not expose the device to extremely high or low temperatures, as it may damage the battery.
- Do not operate the unit if it has been wet or moist to prevent electric shock and/or injury to yourself and damage to the unit
- Do not use the unit if it has been dropped or damaged in any way.
- Repairs to electrical equipment should only be performed by a qualified electrician. Improper repairs may place the user at serious risk.
- Keep the unit out of reach of children.
- This unit is not a toy.

BATTERY DISPOSAL:

This product contains a lithium polymer battery. Lithium polymer batteries are environmentally safe when fully discharged. Please refer to your local and state laws for battery disposal procedures.
