## INTRODUCTION

Zoom headphones will teach you a whole new meaning of security. These secure ear hooks do just the job and more. You could hike upside down and these still wouldn't fall out of your ears.

It has two different buttons on the headphones themselves which make for a lot more actions the headphones could do on their own. Perfect for anyone on the go constantly and aren't able to always pull out their phone to make certain adjustments or actions with their phone

2. Connect the USB end of the USB cable to any USB Charging Port.
3. While charging the Charging Case Indicator Lights will blink.

### Charging Earbuds:

1. Charge the Earbuds by placing them into the already charged case.

2. The Ear Bud Indicator Lights will glow red while being charged.
3. All Indicator Lights will turn off once the earbuds are fully charged.

#### **Pair Both Earbuds (TWS):**

1. Simultaneously hold down the Multi-Function Button on Both earbuds for 3 seconds.
2. The Pairing Indicator Light will blink red and blue and a sound will prompt that they are being paired.
3. The blue light will blink slowly to indicate that they have been paired.
4. Select "Zoom" from your device's Bluetooth Interface

#### **Make a Call:**

1. Connect the earbuds to your Phone's Bluetooth.
2. To receive an incoming call press the Multi-Function Button once.
3. To deny an incoming call quickly press the Multi-Function Button twice.

#### **Listen to Music:**

1. Connect the earbuds to your Phone's Bluetooth.
2. Use your Phone's interface to select your music.
3. Press the Multi-Function Button to Pause/Play Music.
4. Use the top headphone buttons to change the track
5. Hold top headphone buttons to change the volume

#### **CARE AND SAFETY**

- Do not use this unit for anything other than its intended use.
- Keep the unit away from the heat source, direct sunlight, humidity, water or any other liquid
- Do not expose the device to extremely high or low temperatures, as it may damage the battery
- Do not operate the unit if it has been wet or moist to prevent electric shock and/or injury to yourself and damage to the unit.
- Do not use the unit if it has been dropped or damaged in any way
- Repairs to electrical equipment should only be performed by a qualified electrician.  
Improper repairs may place the user at serious risk
- Keep the unit out of reach of children
- This unit is not a toy

#### **BATTERY DISPOSAL:**

This product contains a lithium polymer battery. Lithium polymer batteries are environmentally safe when fully discharged. Please refer to your local and state laws for battery disposal procedures
