**SmallRig 2924B Encore Wireless Remote Controller**

## Product Information

The product is the SmallRig Encore Wireless Remote Controller. It is designed to be compatible with Android 11/12/13 OS or newer, as well as IOS 16 or newer. The device complies with Part 15 of the FCC Rules. The manufacturer of the product is Shenzhen Leqi Network Technology Co., Ltd. It is made in China and can be purchased from UK CROSSBORDER LIMITED located at 7 Bell Yard London WC2A 2JR, UK.

## Product Usage Instructions

1. Read the user manual carefully and keep it for future reference.
2. Ensure that the product is used under the specific working conditions mentioned in the user manual.
3. Do not disassemble the product. If you have any questions or issues, contact the seller for after-sales service.
4. Check the battery every 6 months and ensure it has approximately 60% charge. Replace the battery if necessary.
5. If the product is damaged or will never be used, dispose of it according to waste management measures. Do not discard the battery; dispose of the entire product.
6. Do not violate the warnings and intended use mentioned in the user manual to avoid defects that are not covered by the warranty.

Please note that this response provides general information and usage instructions. For specific instructions or troubleshooting, refer to the detailed user manual or contact the manufacturer directly.

In order to ensure user's safety and prevent the product damages caused by any improper use, please carefully read the "Warnings" below and properly keep this User Manual for future reference.

## Foreword

Thank you for purchasing SmallRig's product.

## Warnings

- Please read this User Manual carefully.

- Do not use the product in water.
- Do not let the product fall to the ground, be hit or suffer violent impact.
- Do not use the product in the completely closed environment, or it may lead to rise of internal temperature, which causes product failure, ignition or other accident.
- Never remove the non-detachable lithium battery without permission.
- When the battery is not in use for a long time, please charge and discharge the battery each 6-month, and provide it with approximately 60% of the electric quantity to prolong its use life.
- Since there are some hazardous substances in the battery, please do not discard it. Instead, dispose of the product that is damaged or will never be used according to the waste management measures.

### Intended Use

- Please read this User Manual carefully, especially the “Warnings”.
- Please use or store the product in the environment mentioned herein.
- It will be regarded as an improper use when the users are not correctly follow the user manual or use the product under the specific working condition.

Please do not disassemble the product. If you have any question, please contact the seller to apply after-sales service.
