SmallRig

SmallRig ARRI Locating Top Handle

Thank you for purchasing SmallRig's product.

- Please read this Operating Instruction carefully.
- Please follow the safety warnings.

In the Box

- ARRI Locating Top Handle × 1
- Guarantee Card × 1

Installation

Forward Installation

1. Align the anti-rotation screws with the locating holes on both sides of the ARRI 3/8"-16 locating hole;
2. Tighten the screw in the middle.
3. Use a screwdriver to reinforce by inserting it into the side hole of the screw.

Reverse Installation

If the lens is too long, causing the overall balance of the device to tilt forward, you can reverse-mount the handle on the top of the cage to adjust the balance.

Specifications
