SmallRig Magic Arm with Crab Clamp Kit

## Operating Instructions

### Introduction

- Thank you for purchasing SmallRig's product.
- Please read this Operating Instruction carefully.
- Please follow the safety warnings.

### Installation Steps

1. Attach the crab clamp to a stable surface, such as a table edge. Ensure it is securely fastened by tightening the clamp.
2. Adjust the magic arm to the desired position. The arm can be rotated and angled as needed to achieve the best setup for your equipment.
3. Mount your device onto the magic arm. Ensure it is securely attached and adjust the angle for optimal use.

## FAQ

- **What surfaces can the crab clamp attach to?**

The crab clamp can attach to most flat surfaces, such as tables or shelves, as long as they are within the clamp's width capacity.

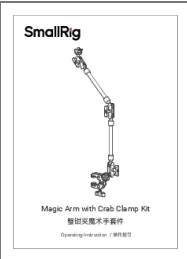

- **Can the magic arm hold heavy equipment?**

The magic arm is designed to hold lightweight to moderately heavy devices. Please refer to the product specifications for weight limits.

- **How do I adjust the angles of the magic arm?**

The arm can be adjusted by loosening the joints, positioning the arm as desired, and then tightening the joints to secure the position.
