SAFETY PRECAUTIONS

- During charging, keep your device and adapter near room temperature for efficient battery charging.
- New batteries are not fully charged
- New batteries or batteries stored for a long time may take more time to charge,
- The included adapter is intended for indoor use only
- Service should only be provided by an authorized service provider.
- Never attempt to disassemble, repair or modify the device yourself.
- Do not use the device in rain or other wet locations.
- Avoid spilling any liquid on the device
- In case the device gets wet, unplug all cables and turn off the device
- Do not attempt to dry the device with an external heat source
- Unplug all cables and turn off the device before cleaning.
- Use a soft, lint-free cloth to clean the device and display
- Avoid getting moisture in open ports
- Do not use household cleaners, solvents, alcohol, or abrasives to clean the device.
- Routinely check the device for proper and safe conditions if there is any damage, or broken parts, remove the device from use
- If for any reason the screen (display) is fractured or cracked, immediately remove this product from use and contact Customer Support.
- It is rare but possible for seizures to be triggered by bright flashes or patterns such as those on device or TV screens. To reduce exposure to this potential hazard, limit watching in a well-lit room, sit at an appropriate distance from the screen and take 10 to 15-minute breaks every hour.
- Cords could be a strangulation hazard.
- Keep out of reach of children under 3 years of age.
- Children pulling on the cord could cause the device or other equipment to which the device is connected to fail with possibility of property damage, serious injury, or death. Adult supervision required during use.
- Long-term exposure to loud sounds, at high volume, may result in permanent hearing loss.
- When using headphones or earbuds, it is recommended that the product is listened to at lower volumes for shorter periods of time. Set the volume low in a quiet environment; turn the volume down if you cannot hear the people speaking near you.
- Limit the listening time to 90 minutes, followed by a quiet period. The louder the volume, the less time required before your hearing may be affected.
- If you experience ringing in your ears or hear muffled speech, stop listening and have your hearing checked.

WARNING: TO REDUCE THE RISK OF FIRE OR ELECTRICAL SHOCK, DO NOT EXPOSE THIS PRODUCT TO RAIN OR MOISTURE

The lightning flash with arrowhead symbol, within an equilateral triangle, is included to alert the user to the presence of uninsulated "dangerous voltage" within the product's enclosure that may be of sufficient magnitude to constitute a risk of electric shock to persons.

WARNING
RISK OF ELECTRIC SHOCK DO NOT OPEN

WARNING: To reduce the of electric shock. do not remove for back).
No user serviceable parts inside. Refer servicing to qualified personnel.

The exclamation point within the equilateral triangle is intended alert the user to the presence of important operating and maintenance (servicing) instructions in the literature at accompanying the product.

Connect the notebook to a wall outlet using the included power adapter as shown below.

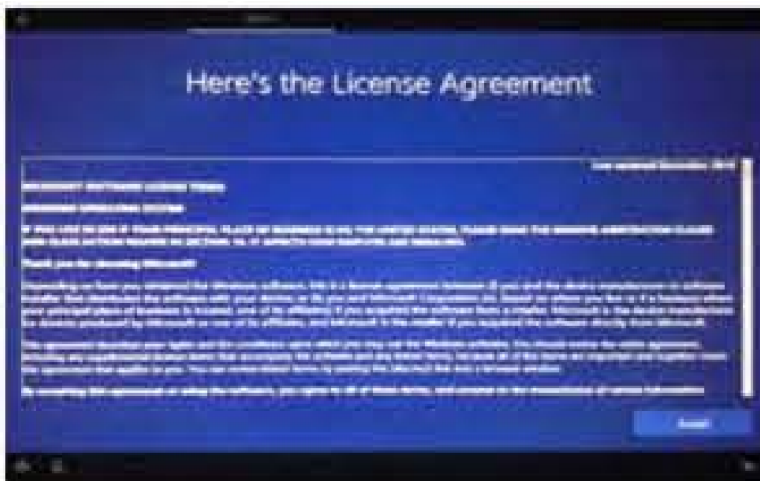

COMPLETING INITIAL SETUP

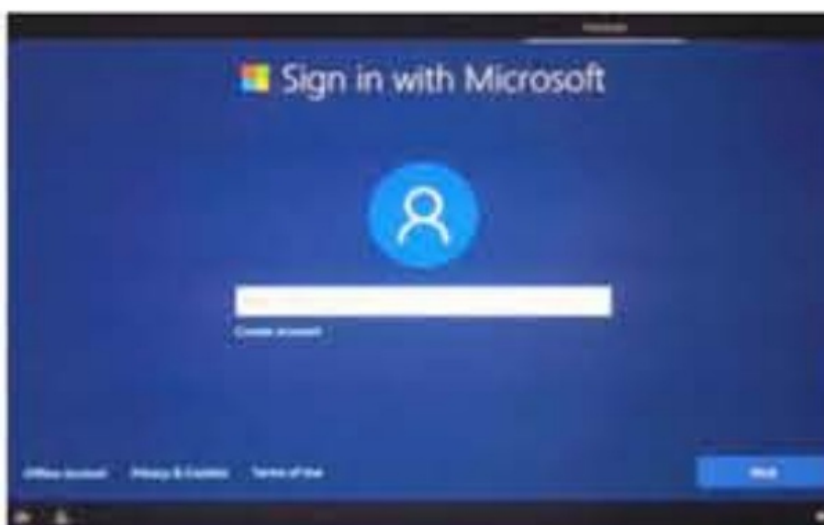

This guide is designed to get you up and running with Windows 10. Please follow the instructions below:

1. Choose your country/region, keyboard layout, and time zone.
2. If you would like to add an additional keyboard select "Add layout", if not select Skip.
3. Agree to Microsoft's legal terms by selecting Accept.

4. Connect to your Wi-Fi network.
5. If you have a Microsoft account, please sign in for enhanced security, cloud storage on OneDrive, HD video calls with Skype, and more. If you don't, you can select Offline account at the bottom left corner and continue.

6. Create your Windows user account and password then select Next.
7. If you would like to use Cortana as your personal assistant select Yes.
8. Choose your privacy settings. The default settings are recommended by Microsoft, review them and select

Accept to finish.

Tap  to see all the pre-installed apps.

In tablet mode, you can bring up the virtual keyboard by tapping the  icon on the lower right-hand corner of your screen.

KEYBOARD DOCK

- To dock the tablet to the keyboard, align the tablet and the keyboard, then slide the tablet into the dock as shown below.
- To undock the tablet from the keyboard, firmly hold the keyboard as shown below, then gently pull the tablet upwards.

The tablet will automatically recognize the keyboard when docked properly.

⚠ IMPORTANT

The touchpad does not have a mechanical click. Tap to select.

Correct
Tap the touchpad
to select

Incorrect
Don't push down
on the touchpad

Windows 10 Text-To-Speech Support with Narrator

Narrator lets you use your PC without a display or mouse to complete common tasks if you're blind or have low vision. It reads text on your PC screen aloud and interacts with things on the screen, like text and buttons, and describes events, such as notifications or calendar appointments. Use Narrator to read and write email, browse the Internet, and work with documents.

To start or stop Narrator, press the **Windows logo key W+ Ctrl + Enter**. To see all Narrator commands, press **Caps Lock + F1** after you open Narrator. If your device has a touchscreen, tap it three times with four fingers.

LEGAL INFORMATION

FCC Part 15:

This equipment has been tested and found to comply with the requirements for a Class B digital device under Part 15 of the Federal Communications Commission (FCC) rules. These requirements are intended to provide reasonable protection against harmful Interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful Interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures

- Re-orient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receive is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Do not attempt to repair or modify this equipment. Warning:

Changes or Modifications to this equipment not expressly approved by the party responsible for Compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. this device may not cause harmful interference, and
2. this device must accept any interference received, including interference that may cause undesired operation.'

Shielded USB cables must be used with this unit to ensure compliance with the Class B FCC limits.

Information Regarding Exposure to Radio Frequency Energy

Your Device is designed and manufactured not to exceed the emission limits for exposure to RF energy set by the Federal Communications Commission of the United States (FCC), information on your Device is on file with the FCC and can be found under the Display Grant section of <http://www.fcc.gov/oet/ea/> after searching on the FCC ID for your Device, which can be found on the back of the Device.

If your electronic device has internet memory on which personal or other confidential data may be stored, you may want to perform a data sanitization process before you dispose of your device to assure another party cannot access your personal data. Data sanitization varies by the type of product and its software, and you may want to research the best sanitization process for your device before disposal. You may also check with your local recycling facility to determine their data sanitization procedures during the recycling process.

Battery Disposal & Recycle

This device contains a Lithium-ion battery. The battery must be recycled or disposed of properly. Contact your local waste management office for information on battery recycling or disposal.
