SMARTDEVIL 2.02.02.0037 USB Desk Fan

INTRODUCTION

Designed for modern lifestyles, the SMARTDEVIL 2.02.02.0037 USB Desk Fan is a small yet incredibly powerful cooling companion. This chic pink table fan, which is made by SMARTDEVIL, a company that specializes in cutting-edge portable electronics, blends style with use. It costs **\$35.99** and, despite its tiny 5.23-inch size, is designed to provide powerful airflow. The fan's five streamlined fan blades effectively boost air supply, eliminate wind resistance, and reduce noise. Its 3.47"D x 5.23" W x 6.5"H product proportions allow it to fit neatly on desks, bedside tables, or in an office. It is perfect for usage at home, in the office, in the bedroom, and even when traveling and camping because it is USB-powered. This quiet yet effective fan keeps you cool and comfortable whether you're working, studying, or just lounging. With a portable, environmentally friendly design, this 5-watt motor generates the ideal amount of air.
