## TRIMMING INSTRUCTIONS

### SMART-TRIM TECHNOLOGY

- Our liners feature a unique technology, allowing you to achieve a perfect fit seamlessly. Embrace Smart Trim for a quick, user-friendly, and hassle-free trimming experience.

### STEP ONE

- Remove the Floor liner from the box and allow it to lay out in a warm area. This allows the liner to regain its custom shape after being rolled up for shipping.

### STEP TWO

- Remove the Floor Mat from the box and allow it to lay out in a warm area. This allows the liner to regain its custom shape after being rolled up for shipping.

Optional trim line for vehicles  
with front bench seat cup holder.

## Product Usage Instructions

### Step 1: Preparation

Remove the floor liner from the box and lay it out in a warm area. This step helps the liner to regain its custom shape after being rolled up for shipping.

### Step 2: Trimming Process

Utilize the Smart-Trim technology to achieve a perfect fit for your Dodge RAM Crew Cab. Follow the trim patterns specific to your vehicle make and model for accurate trimming.

### Step 3: Optional Trim Line Installation

If your vehicle has a front bench seat cup holder, you can opt to use the optional trim line for a more customized fit. Follow the additional instructions provided for this feature.
