smartwares FCL-80141 LED Rechargeable Worklight

Product Specifications

- IP Rating: IP20
- Type: Work Light
- Total Lumen: 800
- Luminous Flux: 800 Lumens
- Cable Length: 100cm USB-C cable included
- Features: Magnet, Foldable, Rechargeable Battery, LED Worklight
- Battery Type: Lithium-ion, 3.7V 2000mAh
- Weight: 0.12 kg
- Color Temperature: Cool White
- CRI (Color Rendering Index): >70
- Power Input: DC 5V, 1A
- Lighting Modes: 1x 100%, 2x 50%, 3x 25%, 4x Red 100%, 5x Red Flash, 6. White Point Light, 7. Off
- Charging Time: 3-4 hours
- Lighting Time: 3-7 hours
- Beam Angle: 148mm x 36mm

RECHARGING

Protection class 3: the fitting is suitable only for low voltage: e.g. 12V

Adapter not included

CHARGING TIME — 3-4 hrs

LIGHTING TIME — 3-7 hrs

on/off
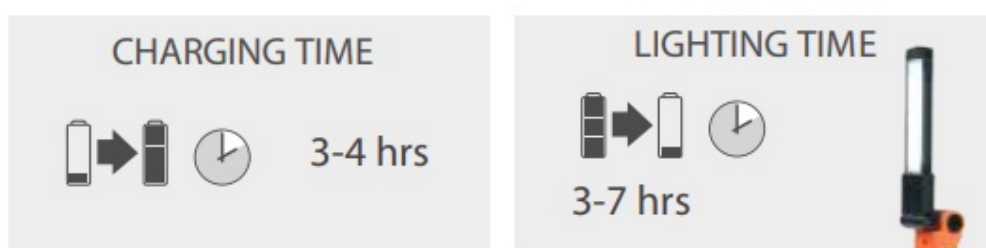

1x 100%
2x 50%
3x 25%
4x RED 100%
5x RED flash
6. White point light
7. Off

Charging the Work Light

1. Connect the provided 100cm USB-C cable to the work light.
